ALL ABOUT THE ARTIST

Rheeya Chandra

I spend most of my free time creating art such as digital art, traditional art, and performing arts. My style varies, from a minimalist approach with logos to a darker approach to my drawings.

I tend to express my passions and past through my art in one way or another, making each piece a subtle exploration of who I am. My creativity is what brightens up my life. I feel like if I wasn't the creative person I am today, I wouldn't be as content with myself. I would most definitely never have come up with some of my favourite outfits. The 2024 Carson yearbook cover is a modified version of our yearbook team's press badges. We are the Carson Eagles, so it only made sense to have our symbol as the cover. These eagles are a nod to Netflix with the way the shadows are.

FALL LIFE

Autumn brought about the start of a new year with opportunities for all Carson students! Everyone had the chance to join school clubs and sports. At the end of September, students reflected on the impact and devastation of colonialism and its effect on Indigenous peoples in their classes. Students took part in the Truth and Reconciliation ceremony by participating in a circle of healing.

Performers at the ceremony danced and sang different songs from the Squamish nation. In October, everyone got excited about spooky season! Carson celebrated Halloween with various events like the costume contest organized by the Student Council, the haunted house by the drama students and the Halloween concert by the band program. Finally, in November, students remembered the fallen soldiers on Remembrance Day. As the days got shorter and the nights got longer, Carson got excited about the upcoming winter season!

GRADE 8 RETREAT

Only the Beginning...

Our Grade 8s took a trip to the great outdoors for a fun-filled day of adventure. This year, the retreat was held at The Cheakamus Center in Squamish. They participated in activities like nature walks, scavenger hunts and weaving, and enjoyed a hearty lunch and hot chocolate. To end a great day, the Carson dance team led a group dance and a memorable dance battle. The Grade 8s connected as activities took place throughout the day, and began to build friendships that will last throughout their time at Carson Graham and beyond.

Interview: Carmella J

Q: Did you enjoy the retreat?

A: It was very fun and I met my now-best friend Bo.

Q: What has been your experience at Carson so far?

A: I really like my freedom at this school and I like seeing all my friends. The field unit in gym class was also really fun.

Q: What were you thinking on the first day of school?

A: When I walked in my first day, I was thinking how open the school was and I really liked that there were lots of places to go and study.

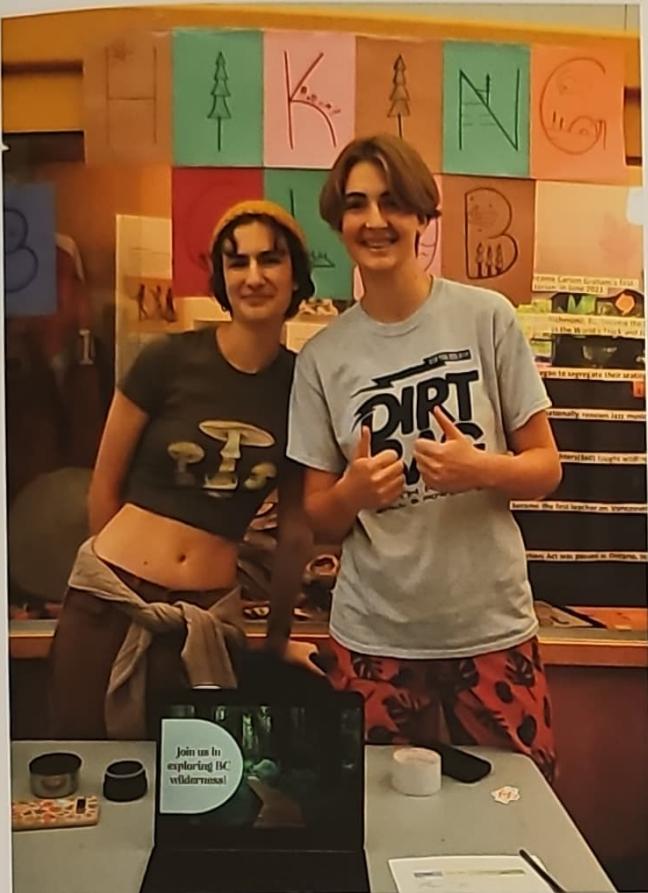

CLUB FAIR

Any Club You Want!

The Carson Graham Club Fair showcases a variety of clubs for students to join, with over 50 clubs led by students and teachers. Club representatives set up booths in the Agora to advertise their clubs, in hopes of bringing in new members for the school year. Clubs benefit students by giving them the opportunity to make new friends and get involved in the school community. They are also a great way for students to explore their interests by providing a wide range of options, from politics in Model UN to sports in our school's Cheer Club.

Interview: Elisa N

Q: What is your club's name and objective?

A: We are Community Initiatives. We organize and run dinners for those in the local community who are in need.

Q: How often and where do these dinners take place?

A: The last Monday of each month in the Carson Agora.

TERRY FOX RUN

Dear Terry...

Terry Fox is remembered as a hero. He had cancer, which led him to amputate his leg in 1977. His experience drove him to help others with cancer. He went on to run a marathon every day for 143 days. Every year, students and staff come together and run or walk for cancer awareness during the Terry Fox Run. This year, the Terry Fox run was on September 22nd and everyone was encouraged to bring a Toonie for Terry to support cancer research.

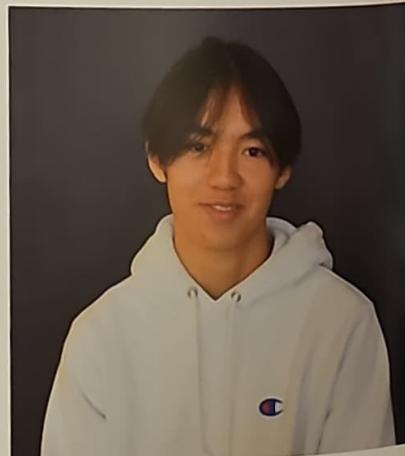

Interview: Sam M.

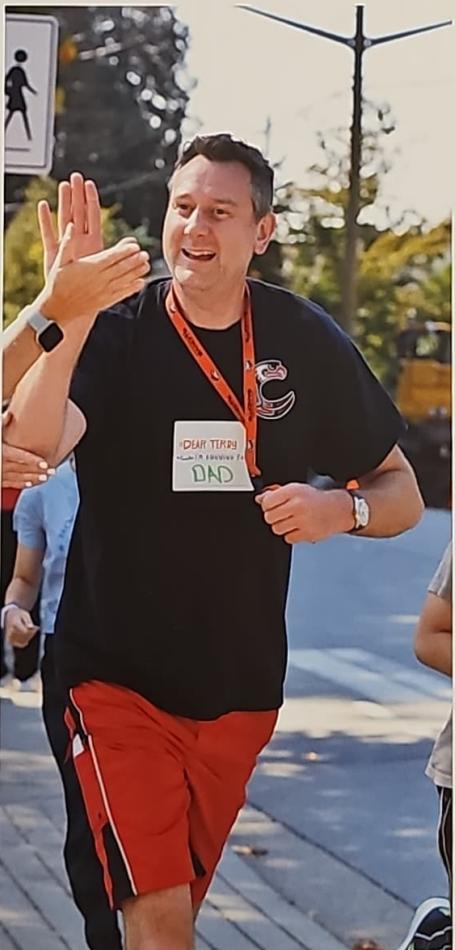

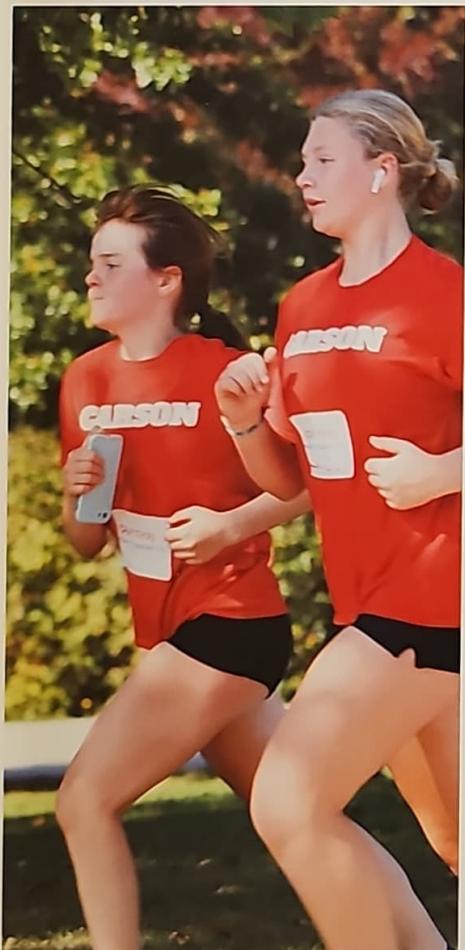

Q: Who did you run for?

A: I was running for my grandpa and my uncle because they are both cancer survivors.

Q: Do you feel supported by the Carson Community?

A: Yes, I feel supported because there are always people who can support you at Carson.

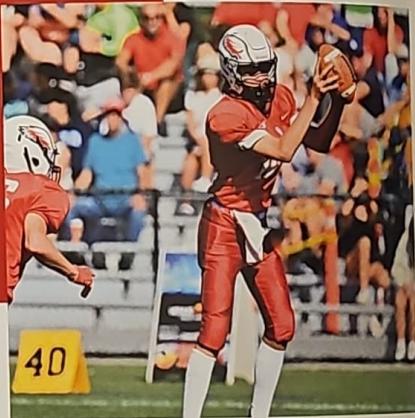

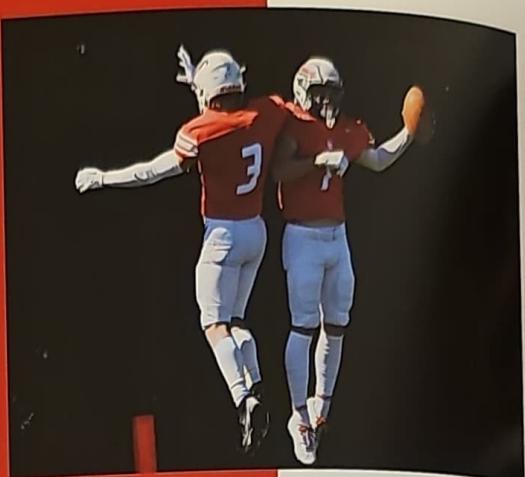

BUCHANAN BOWL '23

Sorry Ha***wo***, Maybe Next Year.

This year, we watched the 36th annual Buchanan Bowl. The Carson Eagles continued the six-year winning streak, as our varsity team took the lead by 50-0 and our junior team put in their best efforts. Carson's triumph over the Handsworth Royals was more than a victory — it was a celebration that echoed with the excitement of the students, as the crowd cheered on their home team. Overall, it was a fantastic game that showed the talent and sportsmanship of our students. We couldn't be happier for our Eagles and cannot wait to see what next year's Buchanan Bow will bring!

Interview: Seb M.

Q: How did it feel to play in the Buc Bowl as a senior?

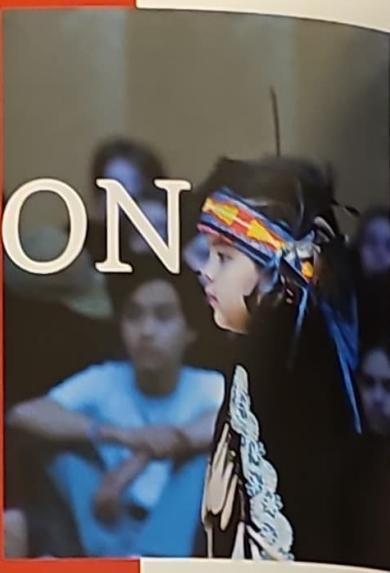

A: The Buc Bowl has a special atmosphere to it and playing as a senior, knowing it's going to be your last game in that atmosphere, makes you want to push harder for your boys. I think that was shown in the score of the game. Overall it was great to have everyone in the stands with the two student sections cheering on makes it special.

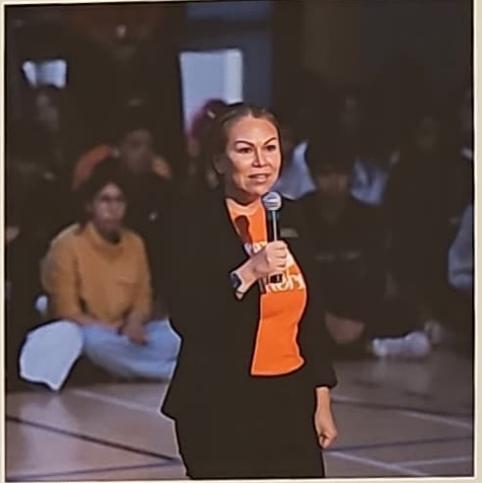

TRUTH AND RECONCILIATION

Every Child Matters

Truth and Reconciliation is important to Carson Graham as it helps us to acknowledge the historical and ongoing injustices Indigenous Peoples face. It is about recognizing the truth, promoting healing, and building stronger relationships by learning about and understanding the experiences of Indigenous communities. It is also about recognizing and celebrating Indigenous Peoples' resilience. Carson Graham is on a journey towards creating a more inclusive environment for everyone. Our school's Truth and Reconciliation Ceremony was a powerful way to foster empathy, respect and unity.

Interview: Avianna J.

Q: What does truth and reconciliation mean to you?

A: Truth and reconciliation means to bring out the truth of the past or getting to know the further history, instead of finding it because you'll never know the real truth and what actually happened besides researching. It's a way to reconnect and see what peoples bad mistakes have been.

Q: How can Carson be more inclusive for indigenous peoples?

A: In my opinion to help Indigenous Peoples is to bring about the actual proper way with things, like when they bring out medicine bags they need to show the proper way to make it. I know more about my traditional ways than they do, they search things up even though its not going to be on the internet, they have to ask someone who is an elder of the Squamish nation or whatever they are, to learn more about it and how to make it properly

HALLOWEEN CONCERT

Haunted Harmonies

The annual Halloween concert is held at the Carson Graham Agora every year. It is the first concert for all the bands, and the very first high school concert for the concert band 8 and beginning band 8 bands. It's an incredibly exciting event, and the players can dress up in their Halloween costumes and perform for their parents and friends. The music the bands play at the Halloween concert is slightly different from the music they play for other concerts, as the repertoire features songs that have haunted and eerie qualities. The songs evoke feelings of suspense and fear, which help the audience get into the spooky spirit.

Interview: Misty A.

Q: What instrument do you play?

A: I play the tuba!

Q: What is your favorite part of band?

A: I like band because it is a mini diverse community that gets many people together to create art.

HAUNTED HOUSE

Enter if You Dare...

This year, the Drama 11 and 12 classes hosted a haunted house for the whole school. Students dressed up and decorated the theatre for a spooky and scary experience. The students who attended the event described it as thrilling and a truly frightening experience.

Interview: Ruby C.

Q: Who runs the haunted house?

A: The grade 11 and 12 drama class.

Q: What's your favourite part of the haunted house?

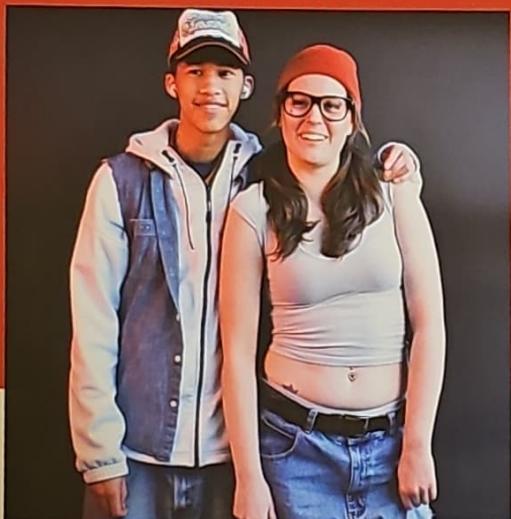

A: My favourite part is scaring people and making them scream, and also working with the drama class.

HALLOWEEN

Let's Get Spooky!

Halloween at Carson was very lively. The drama class held a spooky haunted house with all the actors in full blown costume and makeup with surprises around every corner. The costume contest was a blast too, with everyone showing off their spectacular outfits with some group or duo costumes. Of course, the yearbook had a photobooth where we captured all the hilarious and spooky moments. It was an unforgettable day filled with scares, laughter, and great memories!

Interview: Zoe P.

Q: Who were you for halloween?

A: I was Fluttershy from My Little Pony.

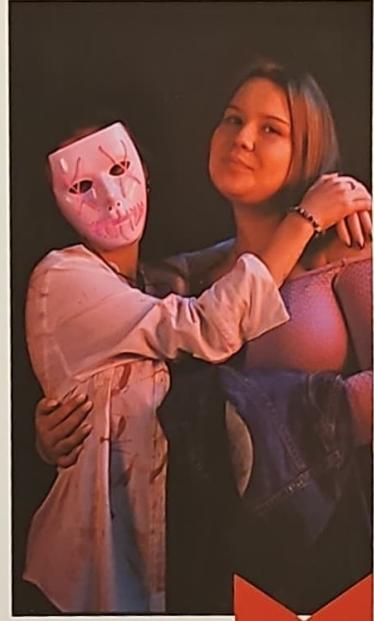

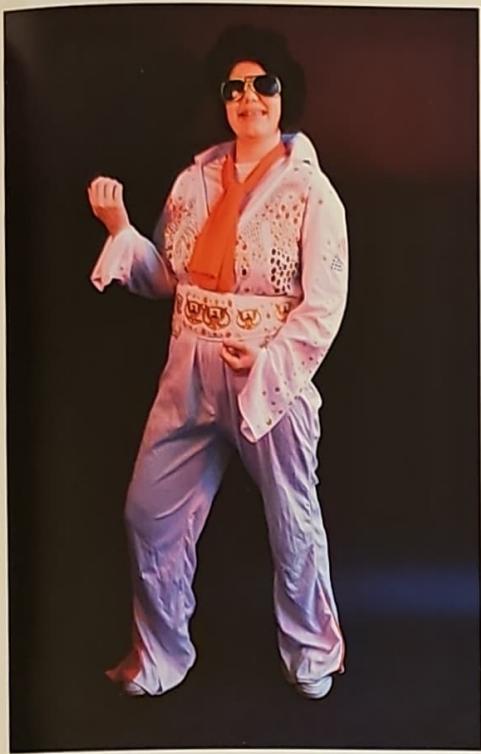

Q: How long did you spend preparing your costume?

A: At least two or three months.

Q: Was any part of the costume handmade?

A: The dress I wore was very last minute, as originally I was making one by hand by sewing it. I didn't end up having enough time so I just used one from my closet.

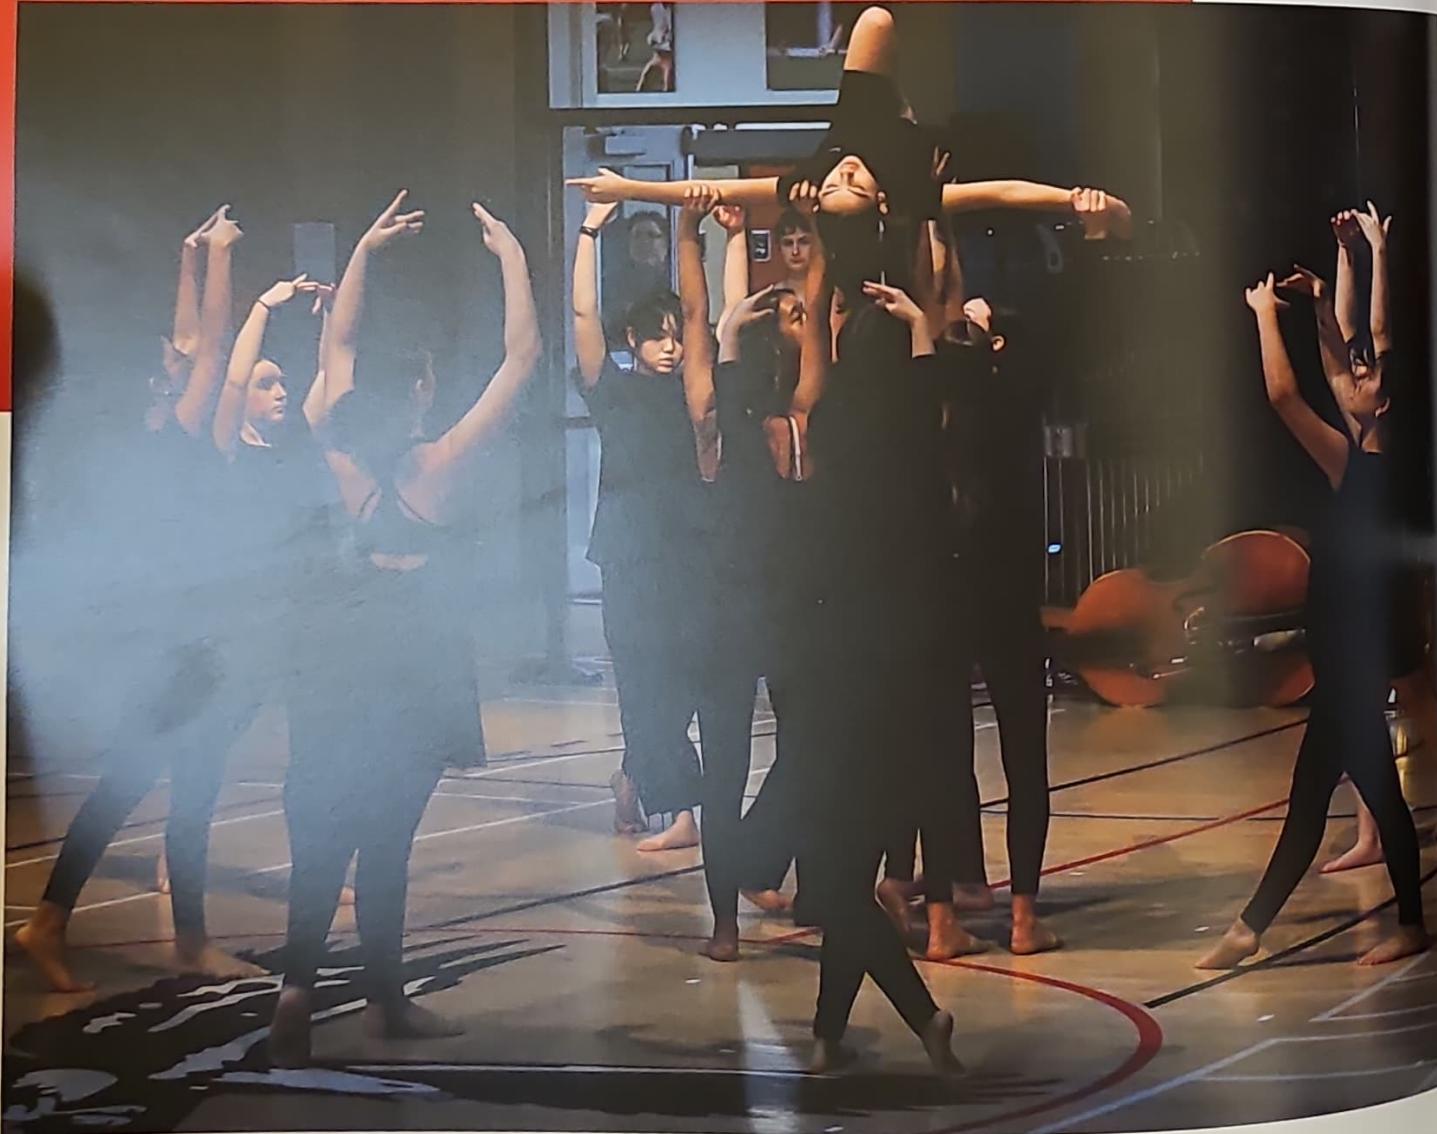

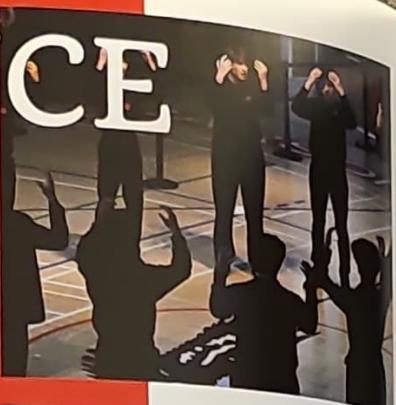

REMEMBERANCE DAY

Lest We Forget

In the fall, one of the most important and recognizable days was undoubtably the Remembrance Day Assembly. Remembrance Day is a time when we come together to honour and remember those who have served and sacrificed for our country. It is a day to reflect on the bravery and selflessness of our veterans and to express our gratitude for their contributions. This year's Remembrance Day Assembly showcased powerful performances from dance, choir and band. Indigenous traditions were beautifully interwoven into the assembly, creating a moving tapestry of history and resilience. Let us never forget their courage and dedication, and may we strive to uphold the values they fought for. Remembrance Day is a powerful reminder of the importance of unity, gratitude, and the enduring spirit of our country.

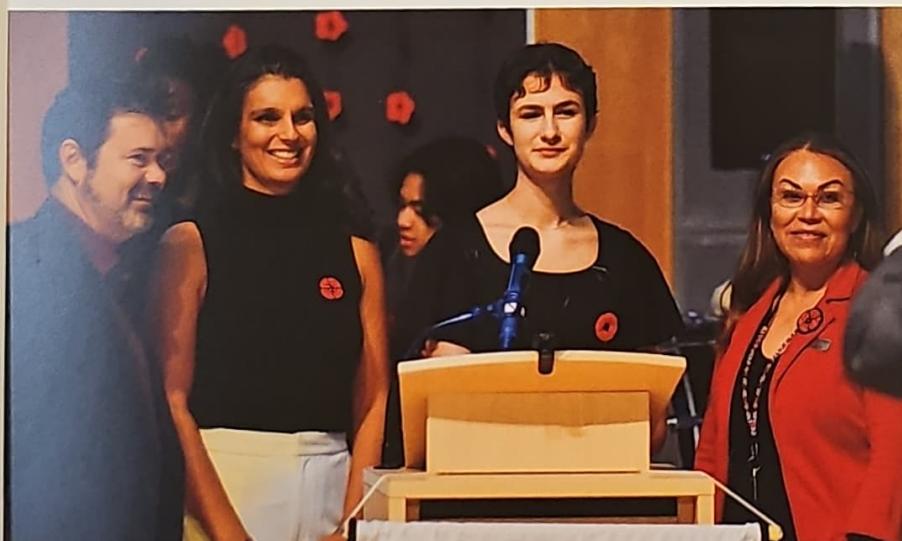

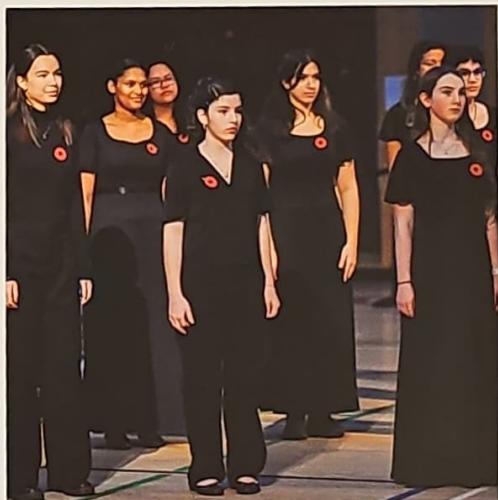

Interview: Avi L Gr 11

Q: What does Remembrance Day mean to you?

A: Remembrance Day holds deep significance. It's a time to honor and remember the sacrifices made by veterans and those who served in the armed forces. It's an occasion that emphasizes the importance of acknowledging their courage and dedication to protecting our freedoms.

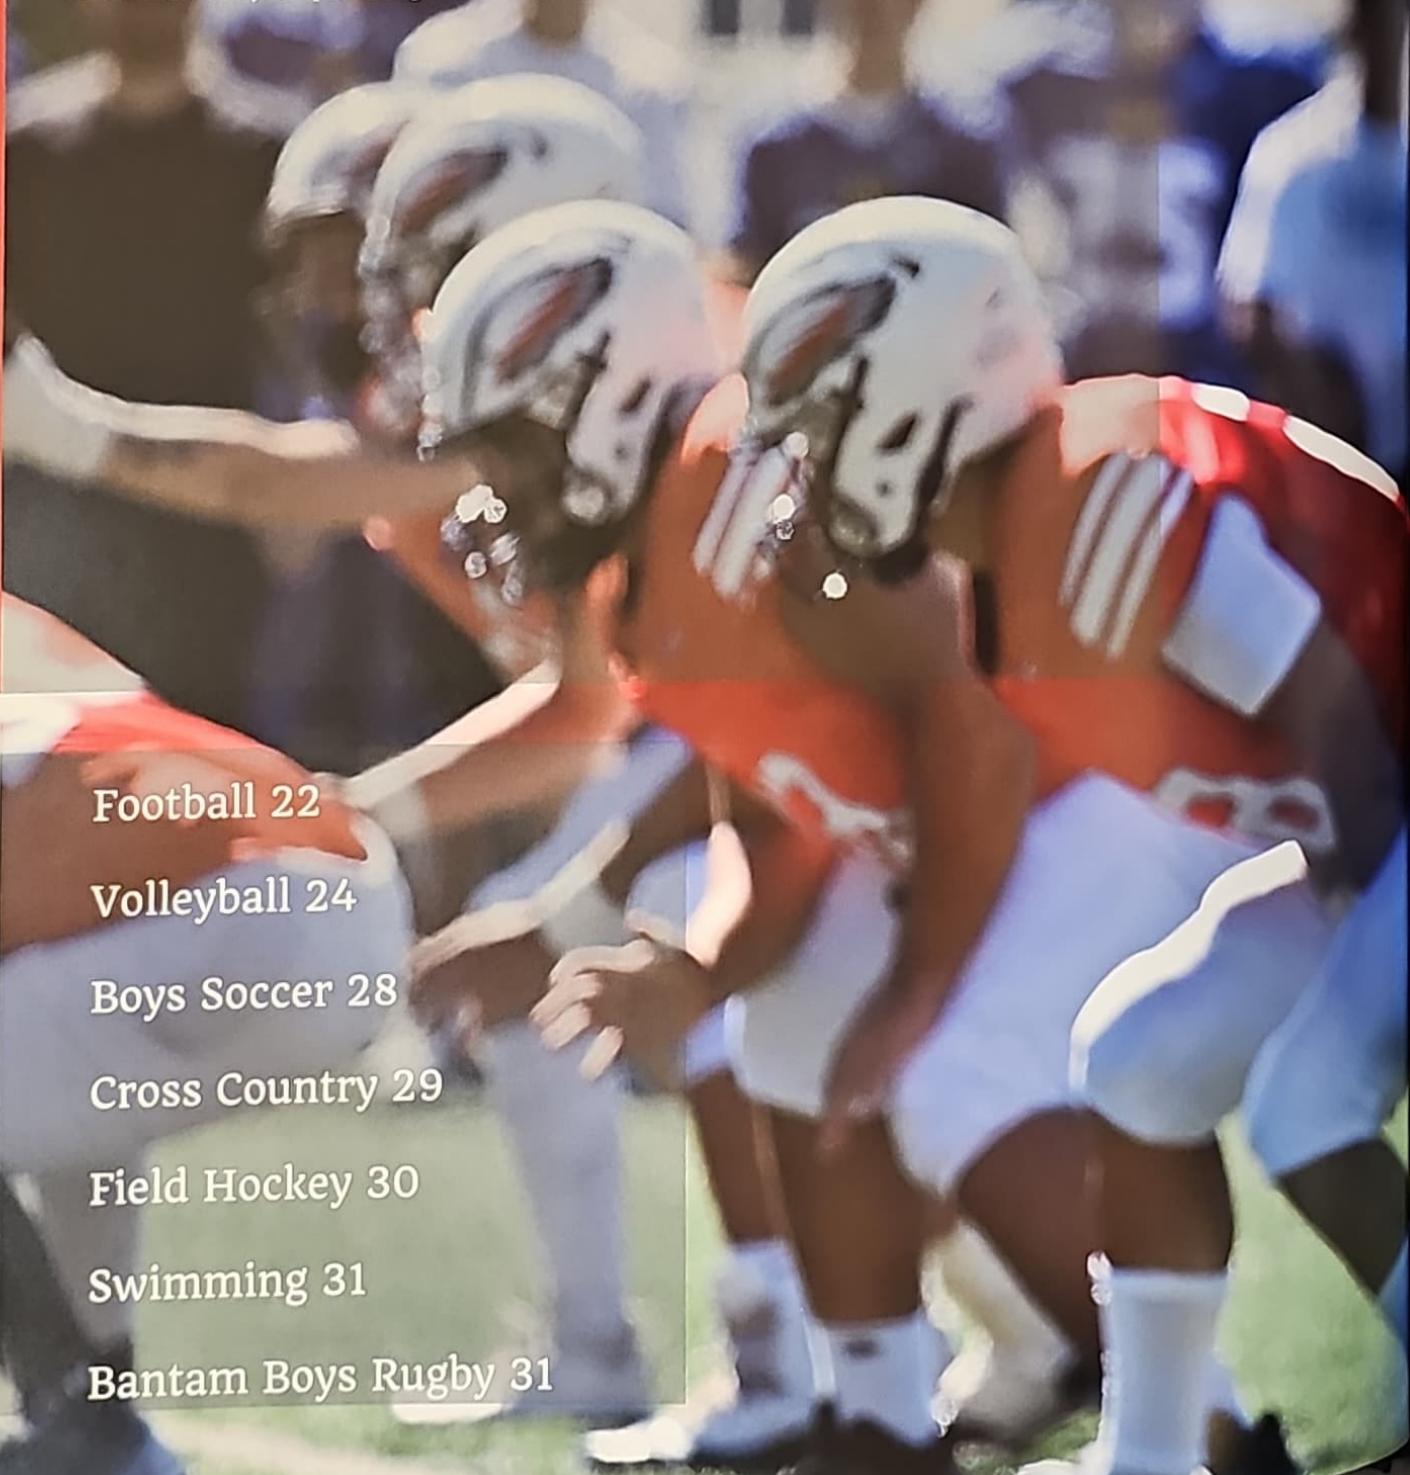

Q: How does it feel to be a part of the Remembrance Day ceremony?

A: Being a part of the Remembrance Day ceremony as an army cadet is incredibly powerful. It's a dignified and respectful experience, honouring those who served and sacrificed.

FALL SPORTS

At Carson, sports are much more than exercise. They are opportunities to make new friends, demonstrate sportsmanship, and enjoy the game. While each sport offers a new experience, each helps students to grow and learn outside the limits of a conventional classroom. Students channelled their inner competitive school spirit to strive for victory. Playing a fall sport gives students a strong start to the year and a chance to form life-long friendships and build skills that will help them be successful throughout their high school careers and into the future! This season, we witnessed great accomplishments: the Varsity football team made it to the B.C. Finals and the Senior girls volleyball team made it to the Zones. Our other teams played just as well, and we commend you for the hard work and dedication to your sport. Congratulations Carson on the wonderful season!

VARSITY FOOTBALL

Winning Becomes A Habit!

Though the team's season started off on the wrong foot, the Junior Varsity Football team had a lot of heart, passion and thrill for the game. On the other side of the playing field, the Senior Varsity had just as much heart as they started the season off strong, putting them in the 10th place nationwide.

JUNIOR VARSITY

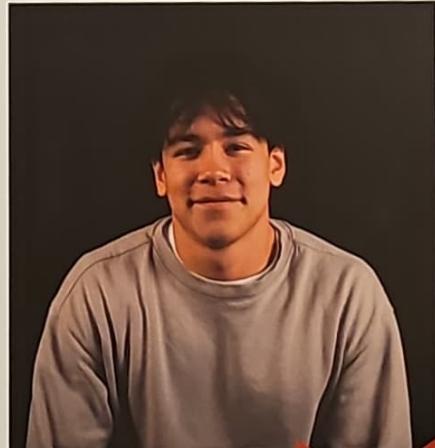

Interview: Andrew M.

Q: What makes Carson football special?

A: The friendships and bonds that everyone makes after football and my friendship with Coach Durandish.

Q: Do you have any advice for future Carson football players?

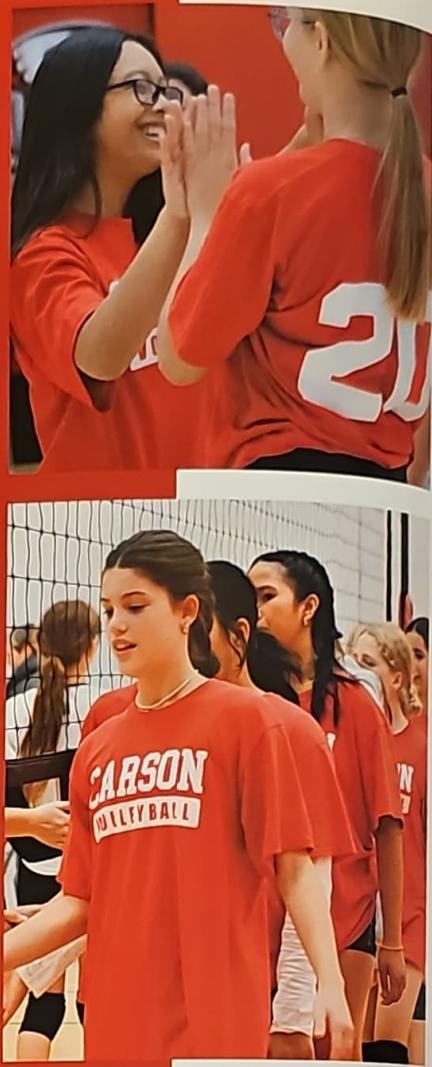

A: Enjoy your time playing football, because my time is almost up, and it's been an amazing experience.

BANTAM VOLLEYBALL

Game on!

The Grade 8 Girls Volleyball team emerged as a powerhouse this season, demonstrating remarkable skill, teamwork, and an infectious enthusiasm for the game. From their very first serve, these young athletes showcased a level of talent and sportsmanship that defined an exceptional season on the volleyball court.

JUVENILE VOLLEYBALL

Spike-Tastic!

The Grade 9 girls' volleyball team had a blast this season! They rocked it in several tournaments, playing their hearts out and having loads of fun. Whether spiking, setting, or cheering each other on, these girls showed amazing teamwork. The friendships they built made every game a memorable experience, creating a bond that goes beyond the scoreboard. It was a season filled with high-fives, shared victories, and the joy of playing the game they love together.

JUNIOR VOLLEYBALL

Party Ball

The Grade 10 Girls Volleyball team embarked on a thrilling journey this season, leaving an incredible mark on the court with their passion, teamwork, and unwavering determination. From the first serve to the final point, these athletes showcased not only their athletic prowess but also their camaraderie and sportsmanship. The commitment was unmatched and the girls had an amazing season!

SENIOR VOLLEYBALL

Block it Like a Boss

As the final whistle echoes, the Senior Girls Volleyball team reflects on a legendary season marked by triumphs, personal growth, and unforgettable moments. Their dedication and spirit, evident in every bump, set, and spike have left an indelible mark on our school's sports history. As they step off the court and into the future, their passion for the game becomes a guiding torch, inspiring future generations. This season was not just fantastic - it was legendary. The legacy of these Senior Girls will forever inspire the spirit of our athletic community.

SENIOR BOYS SOCCER

Eat. Sleep. Soccer. Repeat.

Carson's Senior Boys Soccer had an amazing year! Throughout the season, our team really bonded over lunch meetings and formed strong connections on the field. They've all shown their dedication by showing up to early morning practices in the cold and hosting soccer intramurals. Great job boys!

Interview: Mr. Cabrera

Q: How do you create a positive and motivating environment for your players?

A: My approach is simple; no individual player is bigger or better than the team as a whole. I always emphasize first what a player is doing well before I ask them to improve somewhere else.

Q: Can you share your approach to strategy and game management before and during matches?

A: We always have lunch together as a team every game. This is where we discuss strategy, opponent's strengths and weakness, and line ups. In these meetings, everyone has to say in terms of how we can get the best from each player. During matches, my comments are always positive and specific to what I want them to improve.

CROSS COUNTRY

A Running Victory!

Our 2023 Cross Country Team: tight knit, passionate runners conquering trails together. They train, cheer, and create unforgettable memories together. They are fuelled by determination and chase their dreams, one stride at a time.

FIELD HOCKEY

Sticks in Sync

Carson Girls Field Hockey had a successful season, achieving a 4 out of 6 win and building a solid foundation for next season. The team had such a memorable and impactful season under the coaching and guidance of Mr.

Thornhill, who fostered a positive and winning mindset. According to Mr. Thornhill, one of the highlights of the season was when the team scored a goal with 2 minutes to go and secured a victory. Congratulations everyone involved for a well-done job! Wishing the team continued success in future seasons.

SWIM TEAM

Drop a Fin!

Let's take a moment to celebrate the incredible journey of our swim team. They worked hard from early morning practices to competitions. They've swam with skill, determination, and a whole lot of team spirit. We celebrate their victories as well as their hard work this season.

GRADE 8 RUGBY

Scrum-tious!

The Grade 8 boys' rugby season was a thrilling rollercoaster of epic tackles, unforgettable tries, and unbreakable bonds. They faced each game with heart and grit, and whether they won or lost, they always confronted their victories and losses together as a team. The determination in their tackles and the strategic brilliance of their tries weren't just displays of athleticism; they showed a collective spirit that defined the team. Every practice session became a purposeful step toward perfection.

WINTER LIFE

Winter at Carson was full of festive fun, marked by memorable events and activities. One highlight was Santa's Breakfast, a beloved tradition where Mr. Irani dressed up as Santa Claus, spreading joy and laughter among students. All our spirits were lifted with the two snow days in January, boosting the ski and snowboard scene and giving students unexpected but needed breaks to enjoy the snowfall. As the temperatures dropped, Carson's basketball and wrestling teams started up, with the No-Regrets tournament being a hit. As our grads had their final winter with Carson at the "Snow-Ball Winter Formal," the air was filled with excitement and laughter.

JAZZ NIGHT

Embrace the Rhythm

The Carson Graham Jazz Concert was a night to remember! Talented singers and musicians took to the stage to put on a lively performance and showcase the accomplishments of the band, senior choir, and jazz choir. Smooth melodies and catchy songs made for an unforgettable night of music.

Interview: Sanaz S.

Q: How long did you practice for the concert?

A: I actually joined the choir that was performing (EV Vocal Jazz) a week before the concert, so I didn't have much time to practice. But almost everyday I would go home and go over my part.

Q: What was your favourite song you performed?

A: My favourite song was definitely Brazasia, sung by mixed vocal jazz. It's such a fun song to sing especially with the rest of the choir!

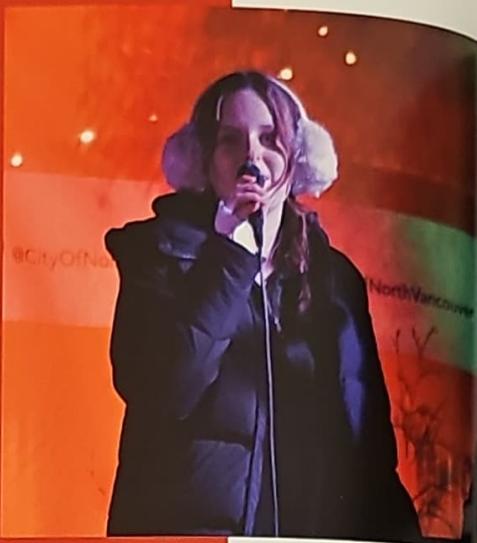

CHORAL CONCERTS

A Symphony of Voices

During their performances, the captivating and talented choir singers filled the rooms with beautiful sounds, emotion, and passion. Their enchanting voices carried joy and warmth across the room as they sang in harmony. It was an experience guaranteed to delight both young and old. These students dedicated hours of hard work, waking up early to practice with determination for upcoming concerts. The music they sang showcased diversity in various cultures. Throughout the year, they explored songs in different languages, which allowed them to develop connections with each other and the audience.

WINTER CONCERT

christmas Tunes

There's nothing sweeter and brighter than listening to the Bands on a chilly evening in winter. This year, they performed their Winter Concert at the Carson Large Gym. The Bands worked tirelessly for three months, three times a week, to put together a beautiful repertoire of songs to perform for friends and family. The concert was a way to demonstrate their skill and improvement since the beginning of the year. This ethereal night would not have been a success if it wasn't for the teachers in the music department. The performance was lovely, and their music was catchy, exciting, and soulful.

Interview: Gisele S.

Q: Did you face any challenges as a group, preparing for the concert?

A: One challenge we face as a group is staying together from beginning to end.

Especially for the slow songs, we need to make sure we're all listening to each other so our parts line up properly.

Q: What was your favourite Christmas/winter song?

A: My favourite song from the winter concert definitely had to be "You Better Sleigh." The piece performed by our Senior Band was a cool, swing song with a very catchy melody.

HOLIDAY CHEER

Let it Snow, Let it Snow

The Holiday season always brings excitement and cheer to the Carson Graham community. The last week of school leading up to the break, we had our Holiday dress-up week to get everyone in the festive spirit. We then ended our week with the tradition of Santa's Breakfast. Students and staff alike came together to celebrate the holidays over a warm breakfast and were serenaded by the festive tunes of Carson's band and choir. Afterwards, students from many local elementary schools were invited to join the festivities.

Interview: Aryana M.

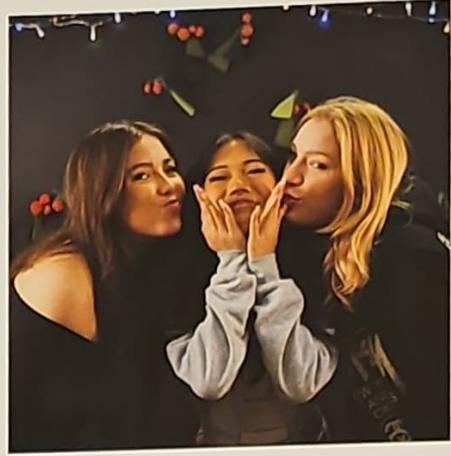

Q: What was your favourite part of Santa's Breakfast?

A: My favourite part of Santa's Breakfast was performing Christmas songs with the concert band and seeing my friends at the breakfast.

Q: Did you enjoy the elementary school breakfast?

A: Yes, I enjoyed making and playing with slime with the kids and collaborating with my friends during the event.

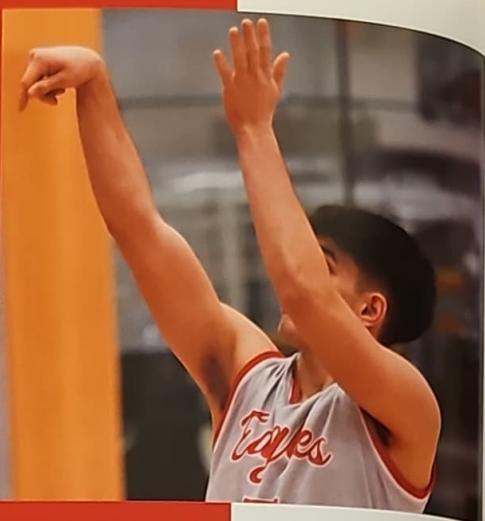

No Regrets

Celebrating Quinn Keast

The Quinn Keast foundation, est. 2006, was created as a way of celebrating the life of Quinn Keast and other student athletes that embody the qualities that he stood for. He vowed to live life to its fullest, embracing every moment and making the best of everything. Our student athletes participate every year in the No Regrets basketball tournament, celebrating his legacy.

Interview: Liam N.

Q: What was a highlight of the tournament?

A: Having the big crowd to cheer you on when big plays happen and winning that first game.

Q: Is there a coach or athlete that you look up to or who inspires you?

A: My coach, Coach Ryan from grade 8 and 9. He is the best coach that I've had, he's an inspiration.

Q: This being your last season with Carson Graham, what are some highlights and low lights?

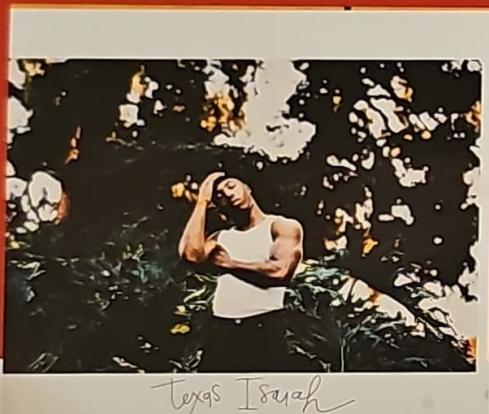

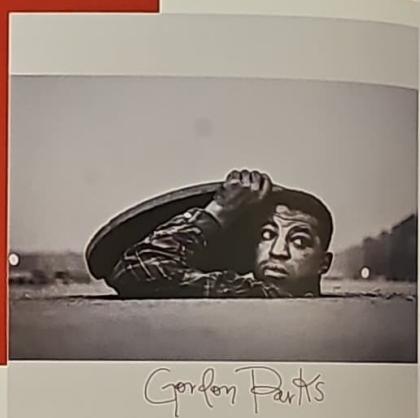

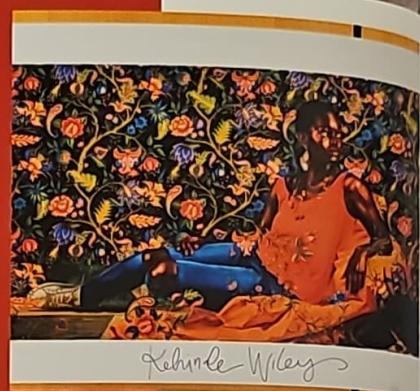

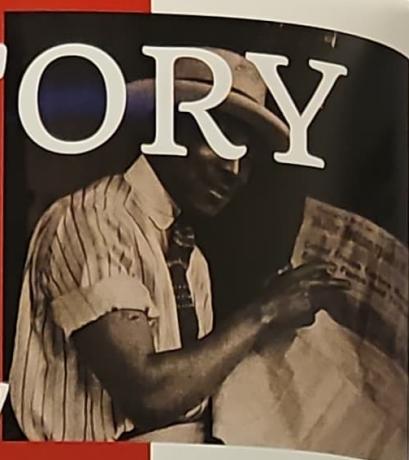

A: Some highlights are: after games when we're all in the locker room hyped up, the long drives to all the games, winning and stuff. Some low lights might be playing our last game and me fouling out.

BLACK HISTORY MONTH

Celebrating Black History

Black History Month, observed annually in February, serves as a focused time to educate and raise awareness about Black history, which is often underrepresented or misrepresented in mainstream historical narratives. It encourages the exploration and appreciation of the diverse heritage, traditions, and ongoing struggles for equality and justice faced by Black communities. Educational institutions, cultural organizations, and communities participate through curricula that highlight influential figures, pivotal moments, and significant contributions of Black individuals across various fields such as science, arts, politics, and civil rights.

Texas Isaiah

The celebration of Black History Month also serves as a reminder of the ongoing fight against racism and inequality. It promotes dialogue on issues of racial justice, encourages solidarity, and fosters a better understanding of Black experiences. Through various activities like exhibitions, lectures, film screenings, and community service, the month aims to build bridges of understanding and appreciation among diverse communities.

Moreover, Black History Month is a time for reflection on the progress made towards racial equality and the challenges that remain. It underscores the importance of remembering past struggles and achievements as a way to inspire future generations to continue working towards a more inclusive and equitable society.

In essence, Black History Month is not just a celebration of Black heritage; it is a pivotal part of a broader effort to ensure Black history is recognized as an integral component of the history of humanity. It encourages all people to engage with and learn from the rich tapestry of experiences that have shaped the world.

Interview: Fatiha Z.

Q: What are some of the significant challenges that you believe the black community faces today?

A: Black communities are still facing a lot of stereotypes, discipline, and racism. A lot of people say that it has gotten better throughout the years, but I believe that racism has just changed its form. There aren't as many slaves in this generation, but many still face discrimination in the workplace, schools, and even out in public. That struggle truly impacts black communities as a whole.

Interview: Jewell R.

Q: What does Black History Month mean to you personally?

A: Black History Month is so important to have and is so powerful. Showing the contributions of Black individuals to our society lets us break negative stereotypes of the black community, overall helping with the unjustified hatred and xenophobia towards Black people.

Interview: Ms. Jacober and Mr. Mann

Q: In your opinion, how well does our current education system incorporate black history into the curriculum, and what improvements would you suggest?

A: **Ms. Jacober**, In my opinion, our current education system can do much better by including more about the participation in and contributions to history by African heritage people in the current curriculum. That's why I'm so passionate about celebrating Black History Month, writing the daily announcements and creating the "This Month in Black History" display cases located across from the Agora. They're meant to be a resource for teachers and students alike.

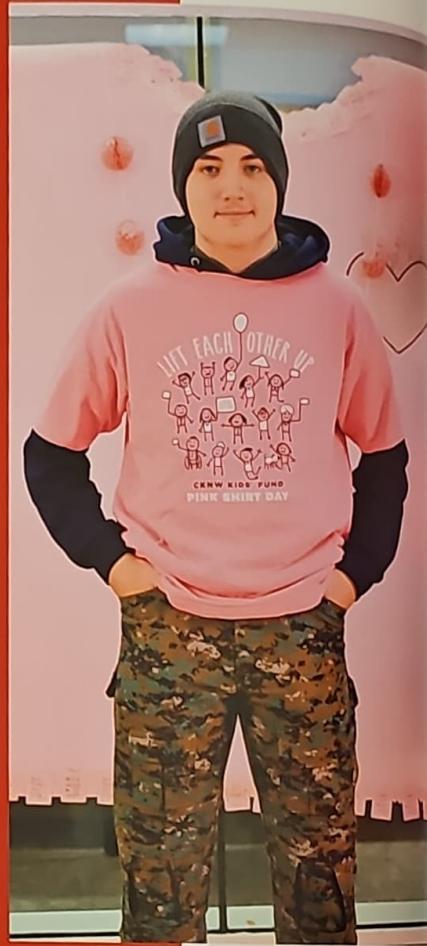

Mr. Mann, our education system needs to include a more diverse group of racialized people to participate in the redevelopment of the school curriculum, in order to correct historical bias and omissions. This will bring value to our world contributions, pre and post European contact. Our library and some teachers have already been doing a great job of this and in very creative ways. However, there still aren't a lot of readily available resources. So, educators have to familiarize themselves with what's already out there and connect with communities in order to create more! Positive change takes time and effort.

PINK SHIRT DAY

Spread Kindness

The origin of Pink Shirt Day can be traced back to 2007 in Nova Scotia, Canada, when two high school students, David Shepherd and Travis Price, decided to take a stand against the bullying of a new Grade 9 student who was teased for wearing a pink shirt on the first day of school. In a gesture of solidarity, Shepherd and Price bought and distributed 50 pink shirts for fellow students to wear. Their act of kindness sparked a movement that quickly gained traction, not only within their school but also across the world. Carson celebrated pink shirt day by wearing pink and taking photos with friends and teachers.

Interview: Kaylee H.

Q: What does Pink Shirt Day mean to you?

A: Pink Shirt Day means standing up against bullying and promoting inclusivity for everyone.

Q: How can we further promote Pink Shirt Day?

A: We can promote Pink Shirt Day by organizing events, sharing stories of kindness, and encouraging schools and workplaces to participate.

VALENTINE'S DAY

Love is in the Air

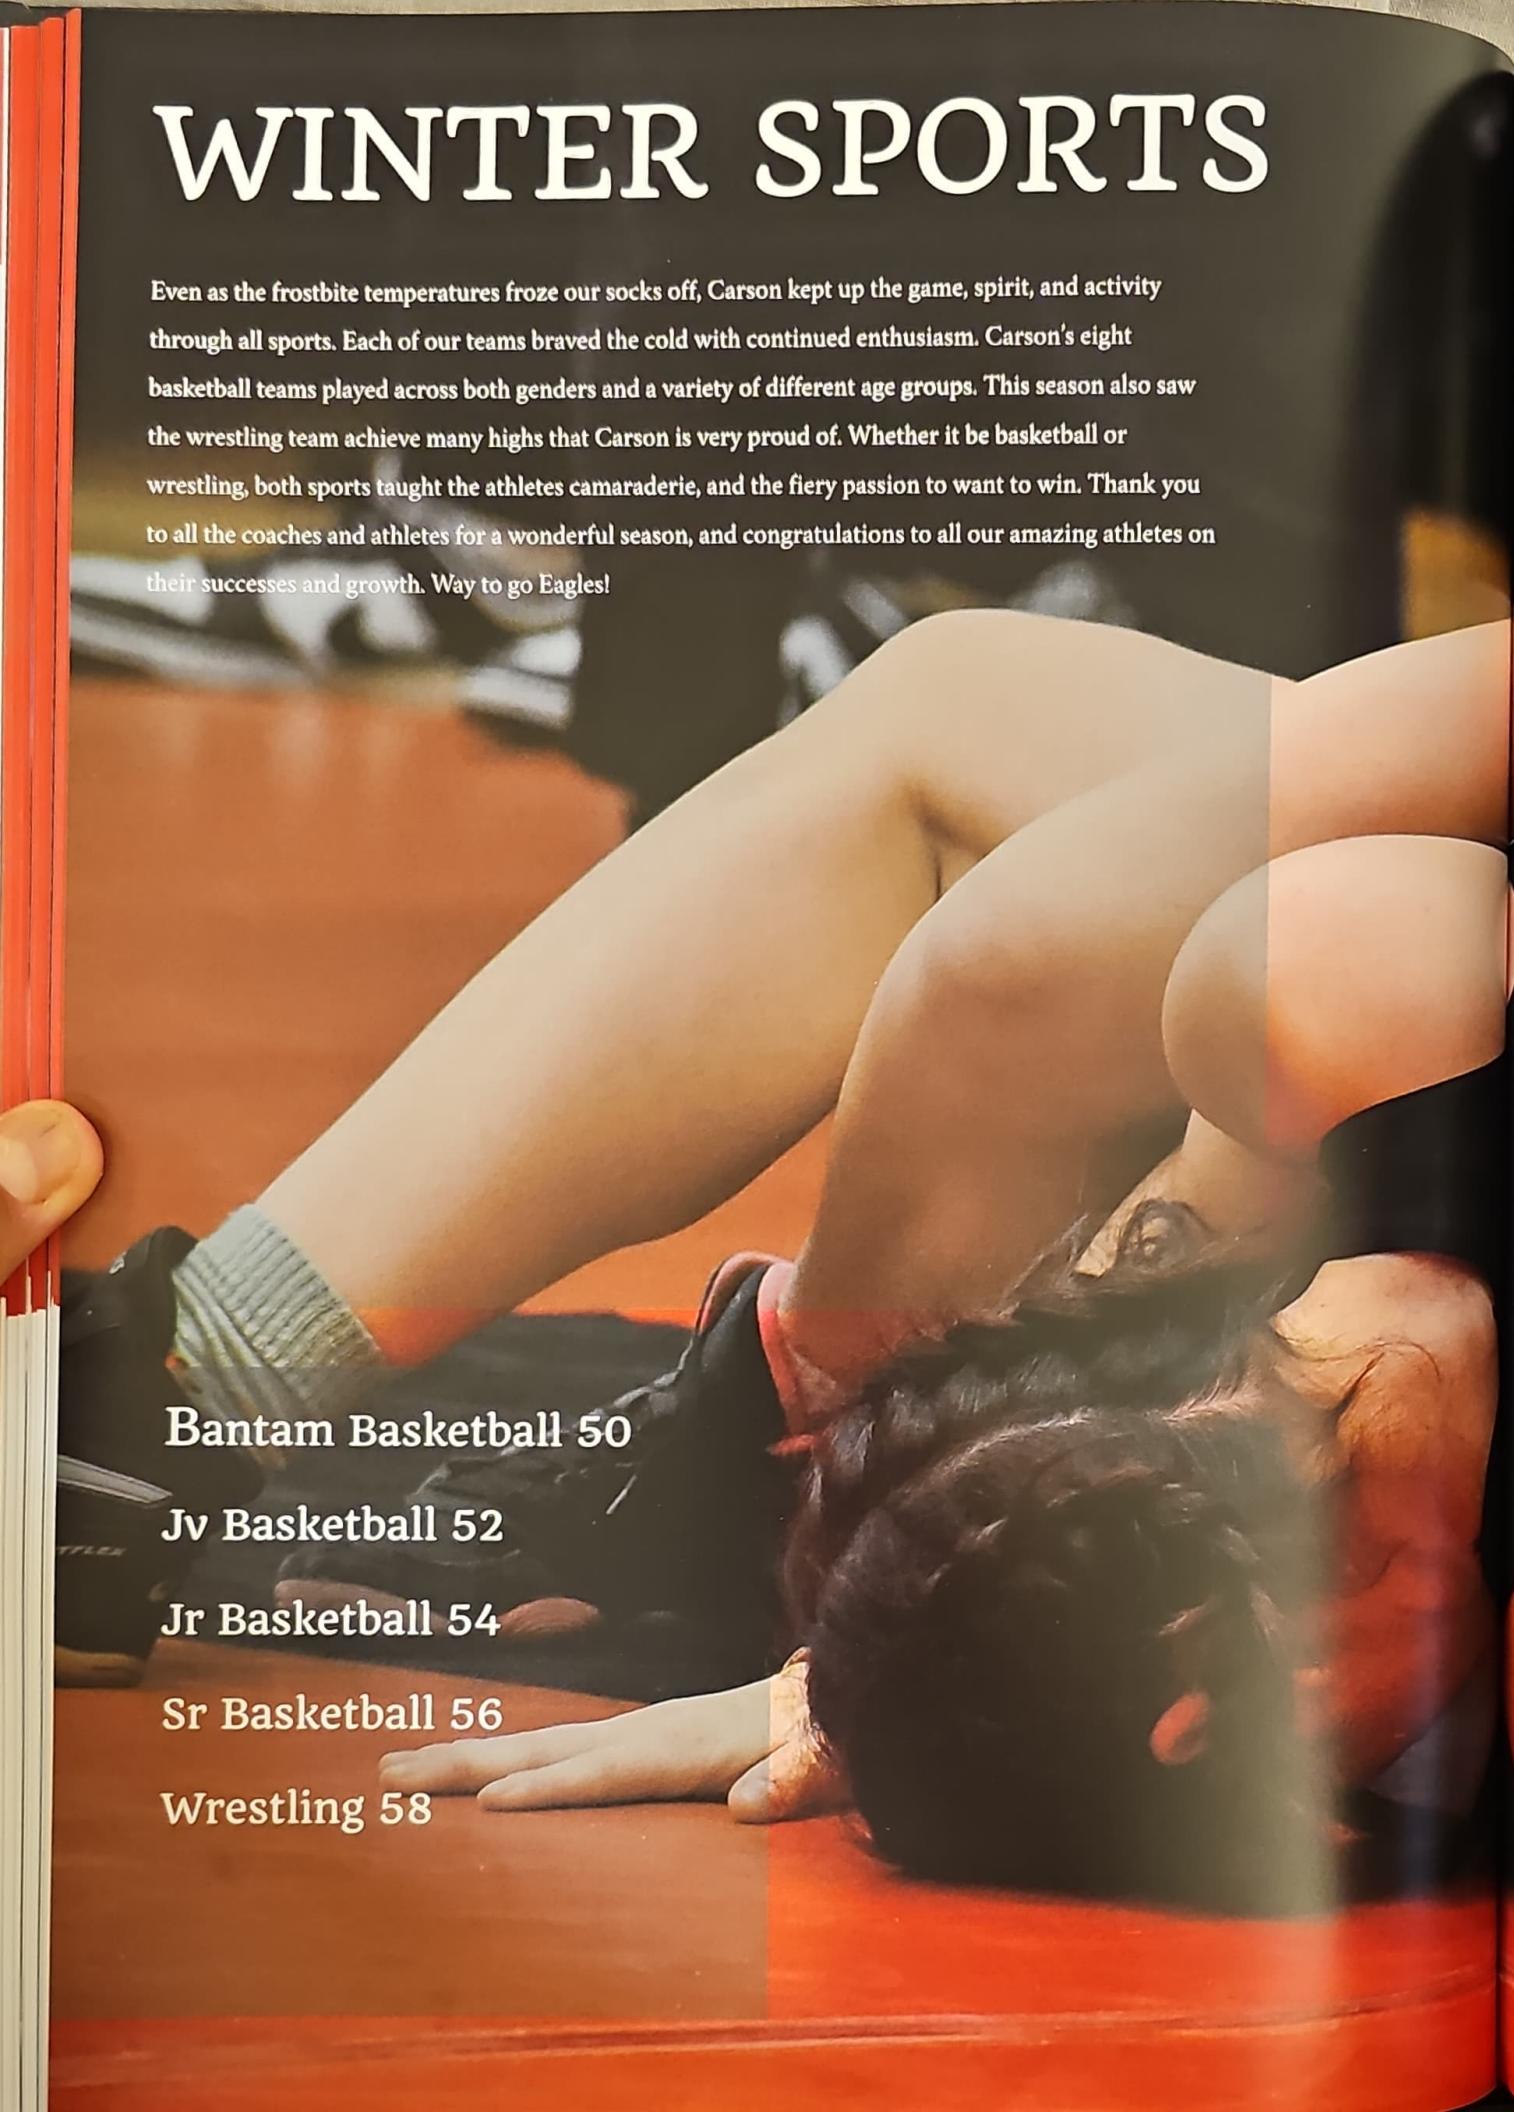

Beyond the festivities and decorations, Carson Community's Valentine's Day celebrations embodied the true essence of the holiday – spreading love, kindness, and compassion. It was a day not only to celebrate romantic love but also to cherish the bonds of friendship and community that make Carson such a special place to learn and grow.

WINTER SPORTS

Even as the frostbite temperatures froze our socks off, Carson kept up the game, spirit, and activity through all sports. Each of our teams braved the cold with continued enthusiasm. Carson's eight basketball teams played across both genders and a variety of different age groups. This season also saw the wrestling team achieve many highs that Carson is very proud of. Whether it be basketball or wrestling, both sports taught the athletes camaraderie, and the fiery passion to want to win. Thank you to all the coaches and athletes for a wonderful season, and congratulations to all our amazing athletes on their successes and growth. Way to go Eagles!

BANTAM BOYS

The Hunt for Hoops

The first year of high school sports is exciting for every athlete - new teammates, new coaches, new rules, and new competition. All these new experiences can be difficult to adapt to and the boys faced their challenges throughout the season. Despite the obstacles they faced, they preserved and worked as a team to play a good season. All the boys developed their collaboration skills as well as their game technique. It was an important season for the players and they all learned vital lessons that they will be taking into their next seasons as Carson athletes.

BANTAM GIRLS

Sinking 3's

At the beginning, this was many of the girls' first year playing basketball on a team. The girls worked very hard to overcome the struggles of being new to the sport and showed excellent sportsmanship and teamwork skills. The challenges meant that they did not perform as well as they may have wanted, but their individual and collective efforts were incredibly admirable, and the team did not let the struggles get to them and played great at every game. They look forward to many more basketball seasons to come, and they will keep improving as they gain experience. Keep it Up Girls!

JV BOYS BASKETBALL

Ballin'

This year our juvenile boys' basketball team showcased talent, intensity, and teamwork, inspiring fans with every game. From buzzer-beating shots to defensive stands, their dedication on the court was unmatched. This season our juvenile boys made it all the way to play offs. Cheers to a season filled with unforgettable moments. Great job boys!

JV GIRLS BASKETBALL

Game On

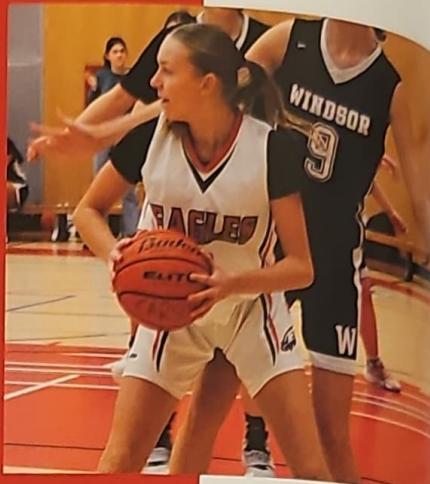

Our juvenile girls' basketball team brought passion, skill, and teamwork to every game this year. They battled through games and dribbled through challenges. Cheers to a season filled with amazing memories and lasting friendships. Good job girls!

JR GIRLS BASKETBALL

Heart and Hustle

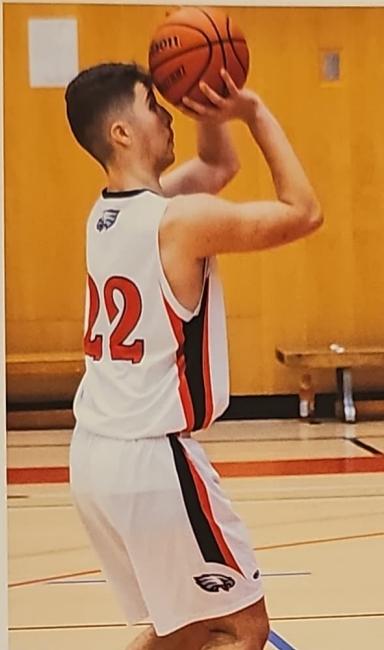

The junior girls team had ups and downs all season. They played in a two-day tournament that was the highlight of the season. Although the team might not have gotten what they wanted, they always pushed through and played hard in every game with positive attitudes and created long-lasting memories and friendships. Great job girls!

JR BOYS BASKETBALL

Hoopin' out

The Junior boys' basketball team had a tough season with hard-fought battles. The team got to grow their basketball skills. The Junior boys made sure to have fun. They had great wins against Eric Hamber, Gladstone, and Sutherland. Shout-out to Matt Calinisan for being a great leader this season and for always being reliable in scoring three-pointers. The boys are looking forward to next season and learning how to take the game seriously. Keep up the great work!

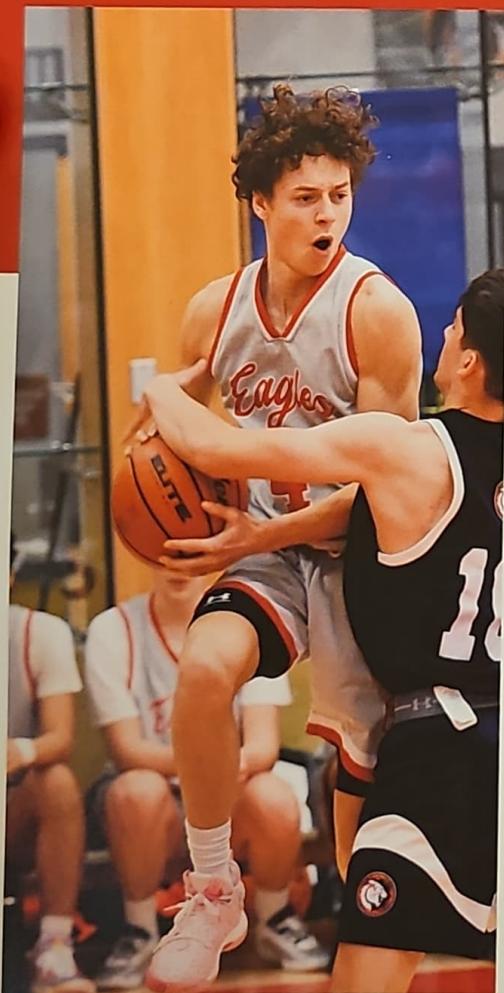

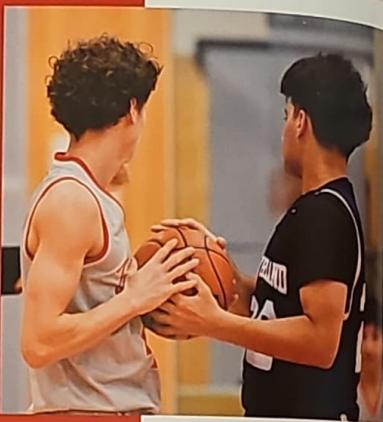

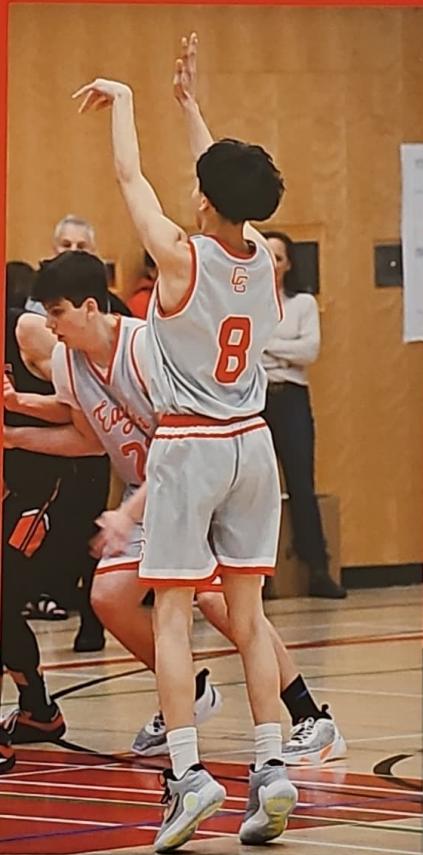

SENIOR BOYS BASKETBALL

Hoops and Dreams

The senior boys' basketball team had an exciting season full of tough competition and great memories. The team improved a great deal and competed hard against some of the top ranked 4A teams in BC. Grade 12's Kai Petterson, Liam Nielson, and Kyle De Leon were outstanding leaders in their five years of playing for the Eagles. Congratulations to Kai for earning a North Shore first team all-star, while Danial Abkenar and Liam were second team all stars. Next year the senior boys should be very competitive again. Thanks to coaches Thornhill, Rideout, and Hoffman for working with the team and a special shout out to managers K.C. and Sierra, the real MVP's.

-Brad Thornhill

SENIOR GIRLS BASKETBALL

Here to Win

The Senior Girls' Basketball Team had such an awesome time this year! They played their hearts out and showed some serious teamwork on the court. From those close games to the big wins, they gave it their all. We're so proud of them! Let's remember all the fun times and cheers to a season filled with hustle, heart, and high-fives.

Wrestling

From Pins to Pride

The Carson Graham High School wrestling team soared to new heights this season, exemplifying skill, determination, and sportsmanship. Our wrestlers achieved remarkable success, securing victories and accolades that underscore their commitment to excellence.

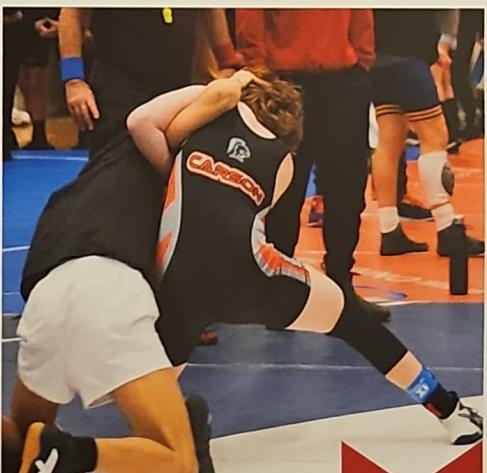

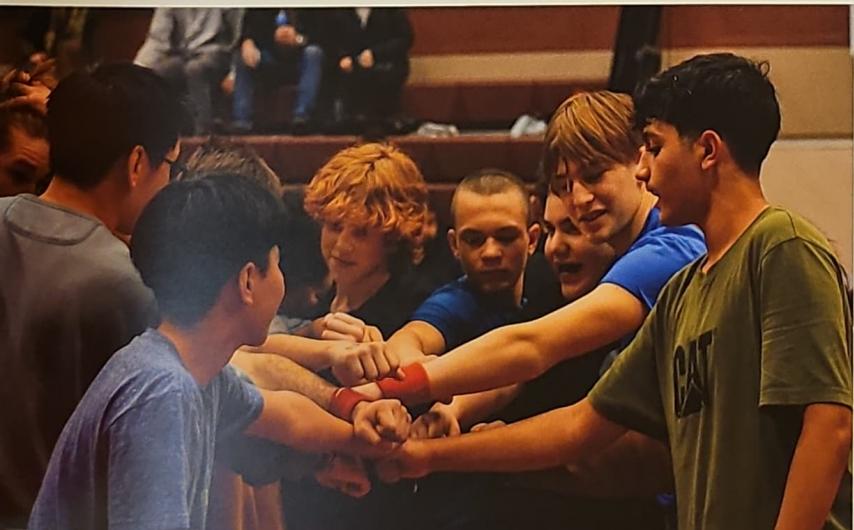

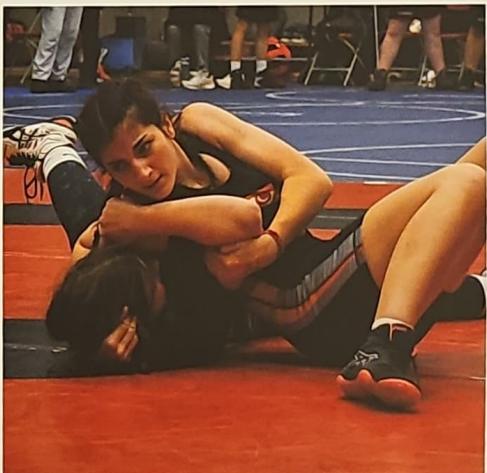

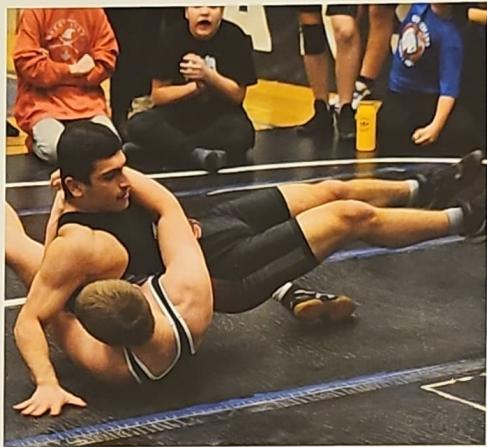

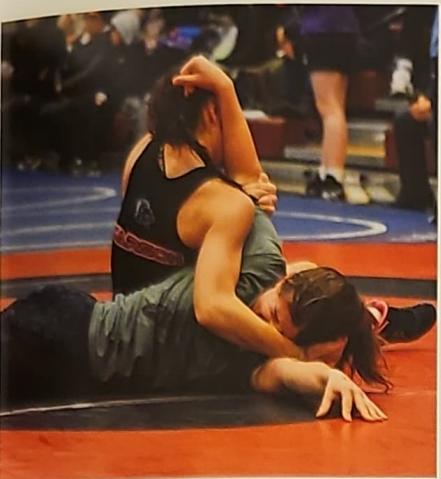

At the Wrestling Provincial Championships, the Eagles competed against all the schools across British Columbia. Arad Ahangi held his title for the 3rd year in a row as the champion of his weight class, while also securing the Most Outstanding Wrestler Award. Lizzy Nielson won fourth place while battling and winning against competitors in higher grades (She's only in grade 10 folks!).

Throughout the season, our team excelled at various tournaments, including the Port Alberni, North Shore Championships, and Duke's Cup Wrestling Tournament, where Aya Habbouchi, Anderson Plant, Liam Barber, Jack Brackenbury, Kourosh Hosseini and Ollie Du Toit emerged in the top 3 places. Taha Ghasemi was also named Most Outstanding Wrestler in one of these tournaments.

Congratulations to all our wrestlers for their outstanding achievements and for representing Carson Graham with pride and excellence. Go Eagles Go!

-Coach Darren Wong

SPRING LIFE

This year, exciting events occurred during the spring season. Spring break provided many students the perfect opportunity to recharge after the final IB Personal Project and the Diploma Program Art Gallery. All the exhibits were impressive, showcasing Carson's hard work and creativity. For others, travelling was the way to go. Global Initiatives went on a trip to the Dominican Republic, which was an incredible experience. Students were given the opportunity to learn about a new culture and lifestyle as well as making a positive impact on a global scale. Likewise, the Girls Rugby team got to go all the way to New Zealand! They had an amazing time playing against local teams from around the North Island. They made new connections and explored different cities. The science trip to Belize was extremely fascinating too. Students explored the rich biodiversity in a hands-on learning environment. Once back in school, students got to tryout or rejoin their favourites sports like Mountain Biking, Track, Golf, Soccer, Badminton and Rugby. The grade 12s are looking forward to the end of the year and graduating!

Photo: Y. Setayeshnia, Grade 11

STUDENT vs. TEACHERS

They Shoot, They Score

This year Carson Graham had a hockey for the second year in a row! A tradition for many sports teams at Carson Graham is to have a Student vs. Teachers game, where the student team faces off against the teachers who coach or used to play the sport in the past. This year there was an exciting Students vs. Teachers Hockey game at the Harry Jerome ice rink.

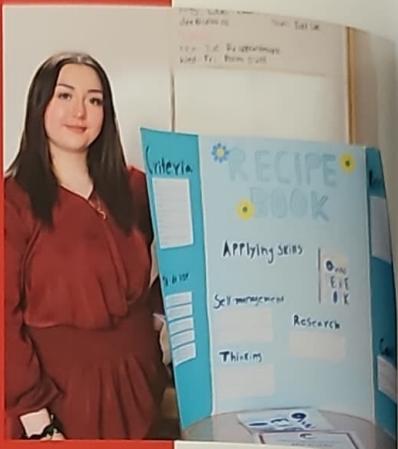

PERSONAL PROJECT

Pushing Through!

The Grade 10s have been working immensely hard throughout the year to prepare for the Celebration of IB. This project was the perfect way for the Grade 10s to wrap up their experience in the MYP program. All of the students put lots of effort into creating unique projects. From cookbooks to criminal psychology, the Grade 10s had it all. Nice work!

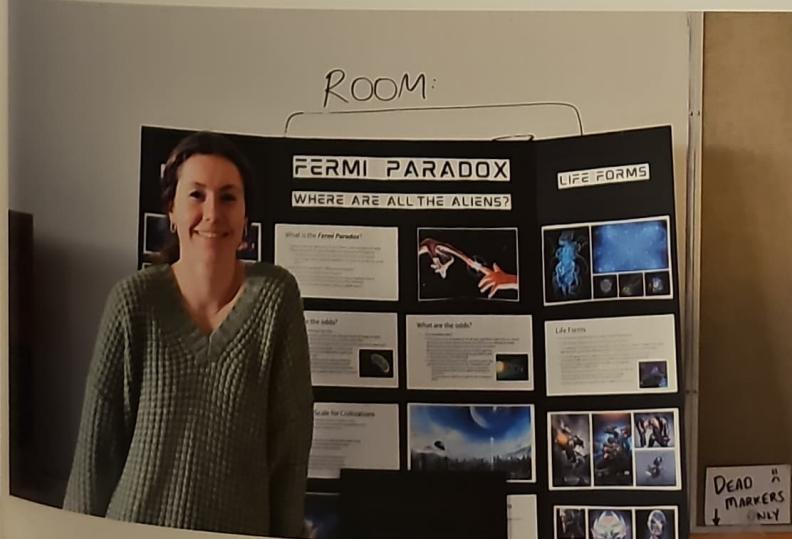

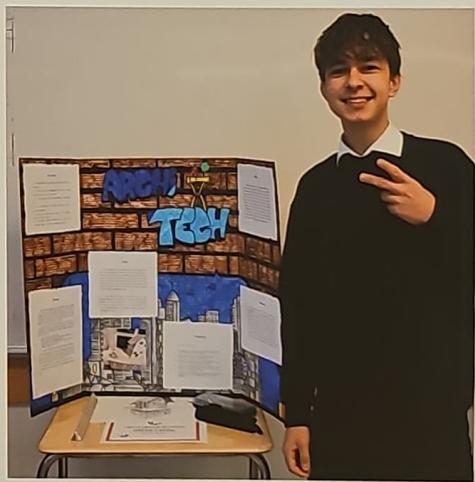

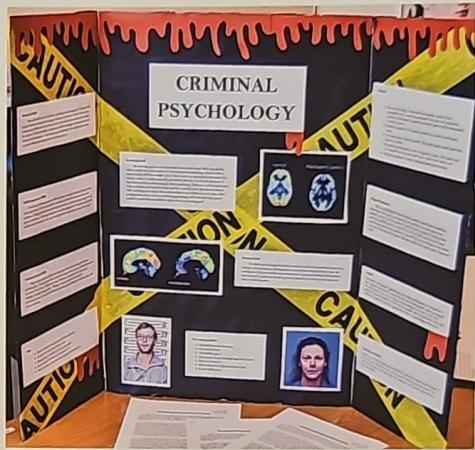

Interview: Cameron S.

Q: What did you chose for your project?

A: For my project I created a cookbook with all my family's recipes and traditions.

Q: What skills did you learn from completing the personal project?

A: I expanded my time management, research and communication skills while working through my project. I learned these skills when creating a timeline for completion, researching new information and communicating my learning through writing.

PERSONAL PROJECT

Working Hard!

Not only have these grade 10s learned something new about themselves, but now they can use their skills or passions to make the world a better place. If that means using recycled materials to make a chair or create healthier formulas for make up, these students have the potential to soar. Congratulations grade 10s, you have made Carson proud!

It features photos of the library and a small blue wooden house. A certificate at the bottom reads "CARSON CARLTON HIGH SCHOOL LUMINI GOMES".

A large project display board for 'EXPLORING THE WORLD OF BRIDAL MEHANDI/HENNA' by Aadya. The board is organized into sections: Goals, ATL Skills, Product Evaluation, Results, Reflection, Plan/To-Do list, and Criteria. It features a laptop displaying a hand, several examples of henna designs on hands, and a chart titled 'LAST ATTEMPTS' showing results for different attempts.

Interview: Aadya A.

Q: What was your goal for your project?

A: My goal was to improve my efficiency while doing bridal henna for others.

Q: What was the most challenging part of your project?

A: The most challenging part of this project was practising henna on people consistently, due to time restraints. It dampened my chances to get better as an unbalanced schedule makes it hard to get the best outcome.

DP ART EXHIBITION

Celebrating our Grade 12 Artists

The DP Art Exhibition, on display in the Agora during the Celebration of IB, was a great success! We are so proud of our grade 12 artists and their wonderful work putting together their exhibitions for the whole school to view. They have worked incredibly hard over the last two years, and have showed great dedication to the program. Congratulations to our amazing artists! We look forward to next year's exhibition!

Interview: Isla S.

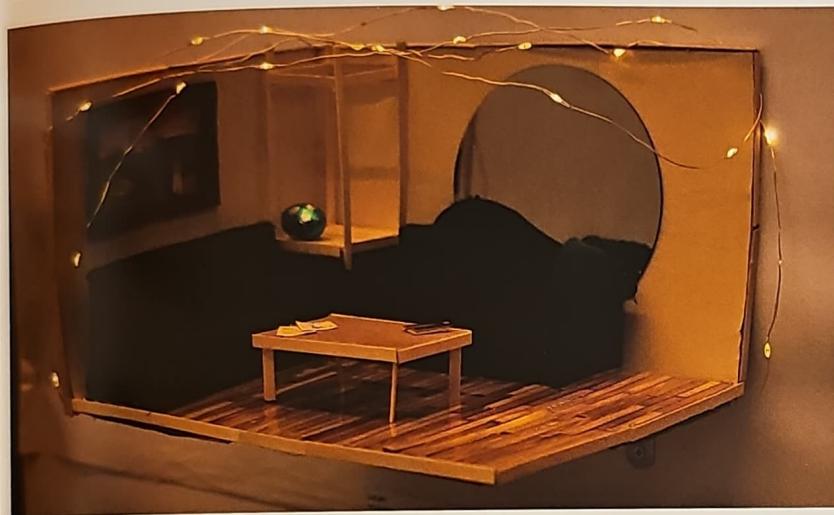

Q: How did the last two years change you as an artist?

A: My artistic abilities have grown so much thanks to the creative freedom of the DP art program. I really got to learn and grow as a person and as an artist.

Q: Any advice for future DP art students?

A: Have fun! Make use of the studio time and resources provided by the school, and try everything in your first year.

DP ART EXHIBITION

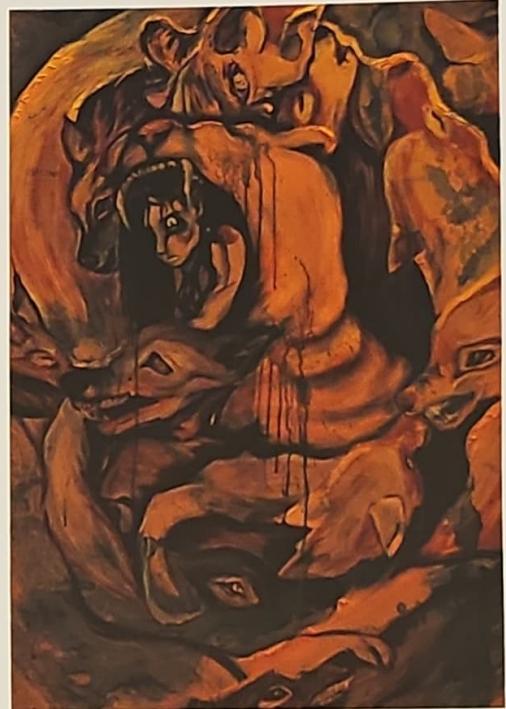

Interview: Mrs. Parker

Q: What was your highlight of this years exhibition?

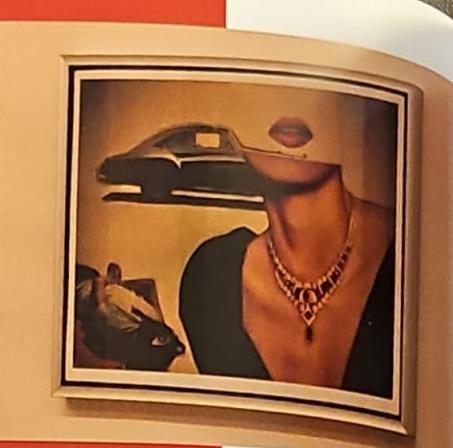

A: The diversity of work and how each student brought their own selves into their work.

Q: Is there anything you would like to say to the artists?

A: I'm very proud of them. They are very talented and inspired the whole school with their work.

DP ART EXHIBITION

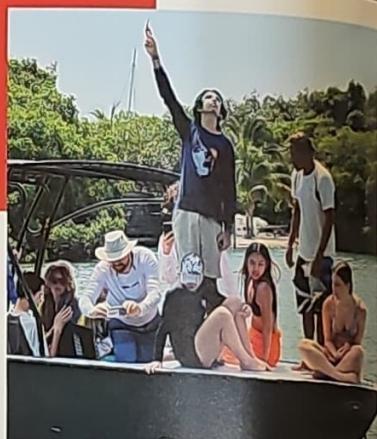

SCHOOL TRIPS

Making Connections

Carson students are given opportunities to build strong connections with their peers, going on all different types of amazing school trips. In March, a group of students volunteered to travel to the Dominican Republic to help build a new home for a family in need. During spring break, the girls' rugby team brought their competition all the way to New Zealand and competed against local teams. Finally, a group of students took their science lessons to Belize for their spring break. These trips will forever represent fun and loving memories with new bonds created for each student that travelled.

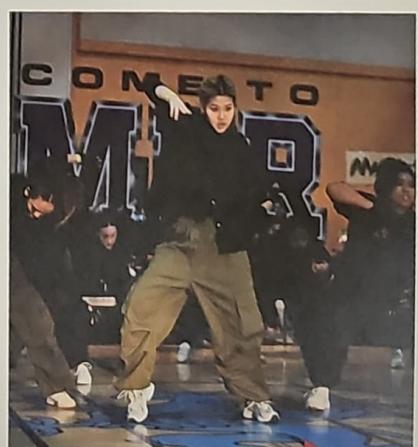

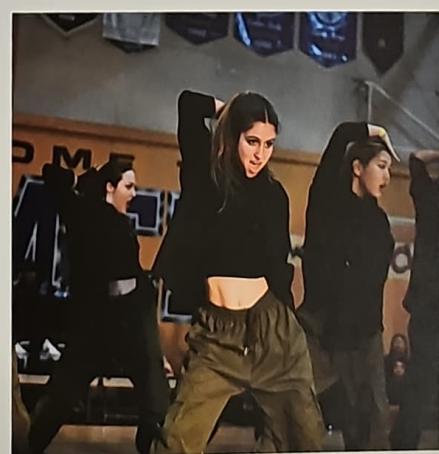

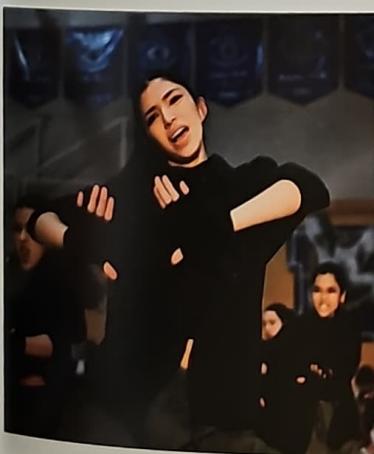

DANCE COMPETITION

The Ultimate Dance Battle!

Senior Dance Crew attended two competitions during winter and spring. After putting in the extra hours and leaving it all on the dance floor, Carson Graham placed 6th in the competition. The competing experience was full of fun, music, cheering and growing as a community. The team overflowed with Carson spirit and our dancers danced their hearts out. The performances they put out were original, creative, and most importantly, showcased everyone's ideas since all the dancers collaborated and contributed to the dance.

SPRING SPORTS

As spring rolls in and weather slowly begins to warm up, new sports start. The vibrant colours and blooming flowers are the perfect atmosphere for this athletic season. Whether you're into team sports or individual events, there's something for everyone. You can join mixed grade teams and compete against other schools in North Vancouver or you can participate in individual events and challenge yourself. Everyone is staying active from swinging badminton racquets, golf clubs and hockey sticks to racing down bike trails and tackling opponents in rugby.

We ended strong in our last school sports season. Can't wait to see everyone in the fall, ready to beat the record!

SENIOR GIRLS SOCCER

Goal!

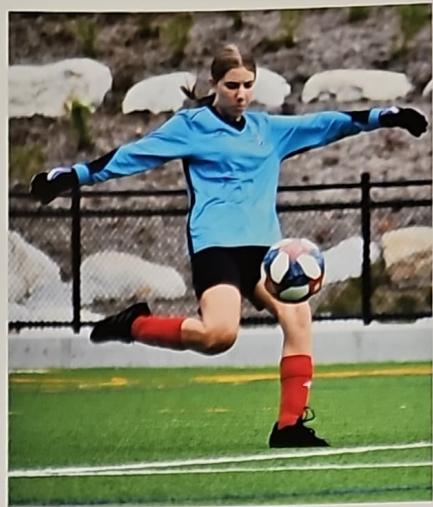

The senior girls' soccer team had a great year, thanks to determination, perseverance, and stellar teamwork both on and off the field. Highlights of the season included an early season win against Handsworth and a road trip to Squamish to face off against Howe Sound. We're excited to see the legacy of Carson Graham senior girls soccer continue next year, and for many years to come.

JUNIOR GIRLS SOCCER

score!

The Junior girls' soccer team gives students in grades eights and nines an opportunity to improve their soccer skills and learn from the grade tens on the team. The Junior girls participated in and hosted The Argyle Tournament and got seventh place. The girls continued to develop a love for the game while having fun, making memories, and creating new friendships all at once. The future is bright for these girls!

SR. BOYS HOCKEY

They Shoot They Score!

SR. GIRLS RUGBY

Blood, Sweat, and Rugby

Our girls' rugby team started their season with a wonderful trip to New Zealand, where they got to play against different schools and gained a lot of experience. They came back stronger than ever and won almost all of their games. With multiple new people who joined the team this year, there's an astonishing team bond between the coaches and players.

Locally, they dominated the Jamboree, winning against Argyle with a score of 49- nothing. Every match has a special E-Gal of the game that gets chosen as an MVP. It is a challenge to choose since all the players are showstoppers! Looking to the future we see nothing but excellence from these girls, and wish them luck for the rest of the season.

SR. BOYS RUGBY

Into the Ruck

Our senior guys rolled into the new season with lots of ambition to win every game. Two of our players have already been committed to UBC: Josh du Toit and Ethan Samuels.

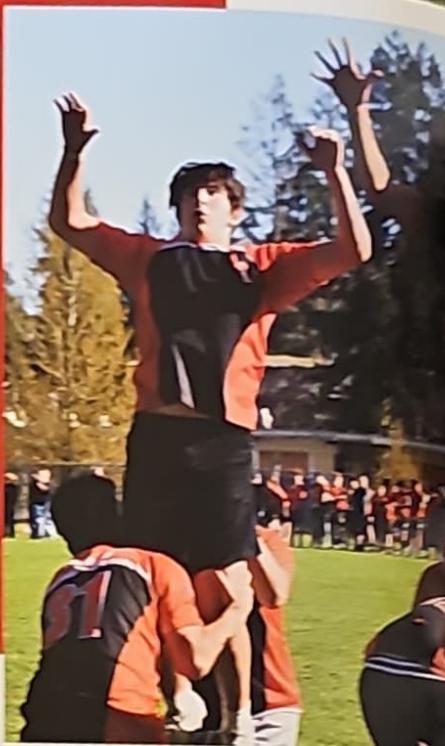

They won their game against Handsworth 72-nothing with a throwback to the Buchanan Bowl, making sure they still remember that we stay undefeated!

JUNIOR BOYS RUGBY

Try Hards

The school's junior boys rugby team epitomizes dedication, and the thrill of athletic pursuit. Under the guidance of passionate coaches, the team improved their skills in tackling, passing, and strategic play, forging a cohesive unit bound by shared goals and unwavering determination. Beyond the physical aspect, the team also cultivates invaluable qualities such as discipline, resilience, and teamwork, laying the foundation for success not only in rugby but in life.

MOUNTAIN BIKING

Pedals and Peaks

The mountain biking team lead by Mr. Wood gets the team out into the forests of North Vancouver. James Pinfold has placed first in the grade 8 races! The others on the team are placing well. Mountain biking not only tests a rider's endurance and biking skills but also their ability to adapt to varying environmental conditions.

GOLF

Hole-in-One

Golf is one of the Carson community's pride and joy. The golf team travels all around the North Shore, visiting all the local courses and sweeping the competition. The puts and drives are quite unique depending on the player and club. Mr. Everton had a blast coaching the boys, and the boys enjoyed being coached by him too! next year they hope to have even better game and win all the competition on the north shore!

TRACK AND FIELD

Zoom, Zoom

The Carson Track and Field Team is a dynamic group of athletes who represent dedication, passion, and excellence. They made the Carson community proud with their exemplary performance in track and field events.

The team has been training every morning to better their abilities. Great job Eagles!

GRADE 8 FOOTBALL

Future Stars!

The grade 8 boys started their journey on the Carson Eagles football team this year.

The boys have an exciting five year journey ahead of them with the Eagles football team. We look forward to seeing you all play in the years to come and cheering you on!

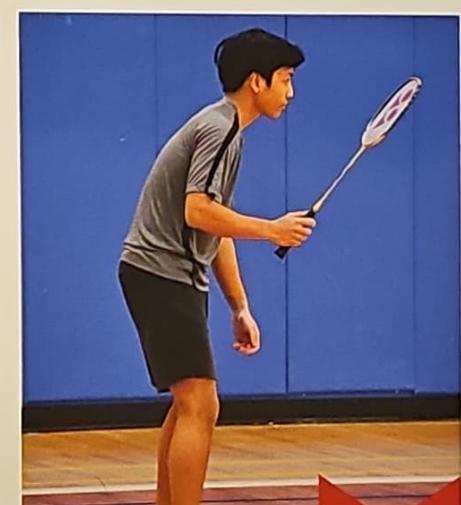

BADMINTON

Bye Bye, Birdie

From the first drop shot to the final smash, the players of the Carson Graham Badminton Team have left their mark on the court this season. With the assistance of our dedicated coaches, the team has trained relentlessly, perfecting their serves, mastering footwork, and sharpening their strategies.

Through sweat and sacrifice, they've transformed into a formidable force, ready to take on any challenge that comes their way. They've shown true sportsmanship and skill. Keep up the good work team!

GRAD COUNCIL

Going Out in Style

The last year of high school is the most anticipated year for many students. Grads look forward to theme days, dances, and many other grade 12 traditions. Behind all these exciting events is a group of seniors who volunteer their time to join graduation council, and work hard to organize and execute all the fun grad events. This year, the graduation council planned the Winter Formal, an Easter egg hunt, theme days including Tight and Bright, Western Wednesday, Kindergarten day, Twin day, and more. In Grade 11, grad council members help plan the Graduation Banquet.

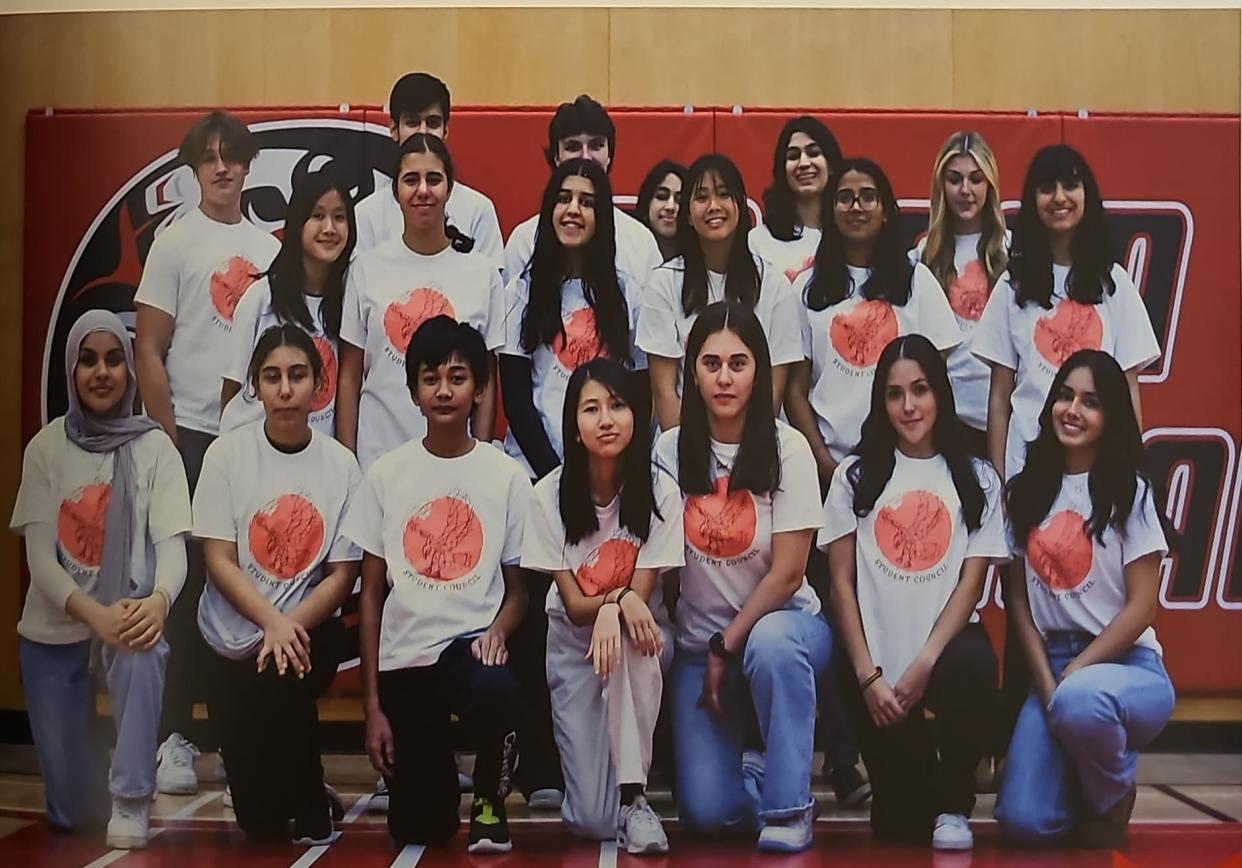

CARSON
GRAHAM

STUDENT COUNCIL

Empowering Voices, Inspiring Change

The Student Council serves as a vital intermediary between the student body and the school administration, providing a platform for students to voice their opinions, concerns, and ideas. It plays a crucial role in fostering a sense of community and belonging among students, promoting school spirit, and enhancing the overall school experience. This year, Student Council hosted events like the Halloween Costume party, year-end party, and more. Student Council members are voted in every year in May, and they are trained in June so they can take over in September.

MODEL UN

Diplomacy is not a Spectators' Sport

Model UN aims to boost public speaking abilities and global knowledge among its members and the whole school. They've set up entertaining activities to enhance debating and researching talents. To back the club's mission, students can join, motivate their friends to speak up, embrace being global citizens, and dive into meaningful debates.

ENVIRONMENTAL CLUB

Eco Vision, Global Mission

The Environmental Club stands at the forefront of fostering sustainable practices within our community, inspiring members and the wider society to embrace a greener lifestyle. The environmental club promotes greener habits at Carson by putting up posters, organizing fundraisers, and promoting careers in the sustainability sector. As the impacts of climate change become more and more prominent, it's important for everyone to work together towards a greener future.

JACK.ORG

Mental Health Matters

Carson Graham's chapter of jack.org is all about getting young people to change the way we think and talk about mental health. We're breaking down the walls that make it hard to talk about mental health in our schools and neighborhoods. Our goal? To make a Canada where everyone knows how to take care of their mental health and has each other's backs. A place where there's no shame in talking about mental health and everyone who needs help can actually get it.

BOYS CLUB

Inspiring Generations of Young Men

The purpose of the Carson Graham Boys Club is to inspire young boys and men. Boys Club is the Carson chapter of the Boys Club network, and their goal is put young boys and men on the right path for success, and create a community where impressionable male youth can find mentors and role models to guide them correctly in life. The Boys Club often hosts guest speakers and discussion sessions for male students to gather and talk.

COFFEE HOUSE

Exciting Tunes

Coffee House has been one of Carson Graham's integral clubs, having involved generations upon generations of students. It encourages students to share their art through singing, dancing, acting, and more! Coffee House has been an outlet for these talented performers at our school. They host monthly events where performers can share their art and talent.

Students at Carson can help by performing, handling tech support, or simply observing and appreciating the art and cheering on the performers.

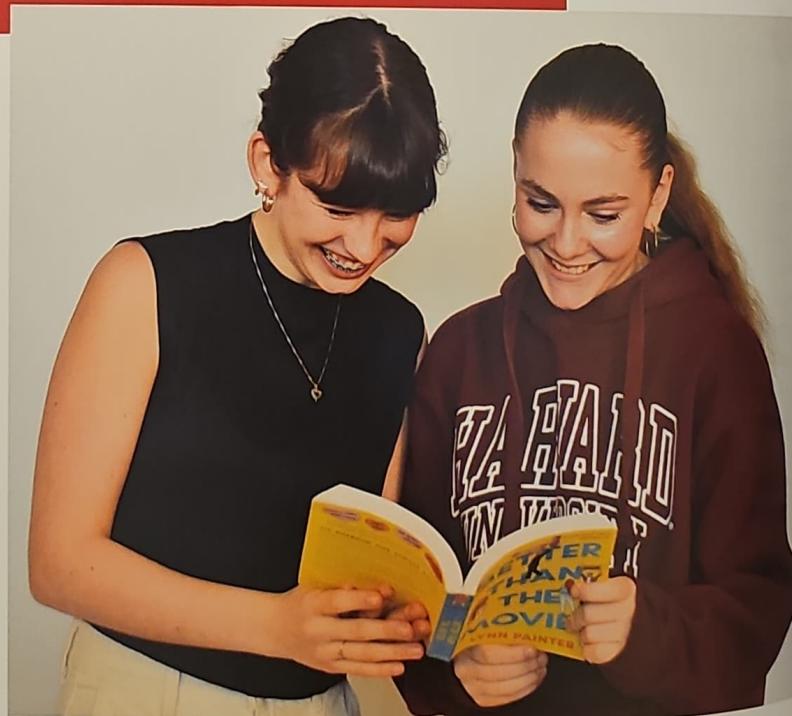

BOOK CLUB

The Book was Better

The Carson Graham Book Club was created to give students who are interested in reading and immersing themselves in fictional worlds a place to discuss the books they read and the lessons they learned.

The goal of the Book Club is to foster a love in the Carson Community for reading while enhancing the critical thinking and communication skills of students through talking about books. They debate the ever challenging question: which is better, the book or the movie adaptation? The only correct answer? The book is always better.

SCIENCE CLUB

Curiosity Unleashed

Spearheaded by the Science Club, the Lunch with a Scientist Program brings professionals from various fields to a student-accessible environment.

Join in and have something to eat (drinks and pizza provided!) and learn about the educational journeys and careers of engineers, doctors, university professors, and more.

FIRST RESPONDERS

Emergency Entourage

The First Responders at Carson Graham are a group of students who are trained in Standard First Aid and First Responders-Basic Life support. These students perform emergency care to injured or ill students or staff at Carson until they are either fully recovered or further medical assistance arrives. It is important for these students to remain calm under pressure and work effectively as a team, to ensure all patients are treated correctly and in a timely manner.

Carson appreciates your service First Responders!

CARDS FOR CARE

Spreading Positivity

Cards for Care Club connects Carson Graham students with members of the community living in hospitals and care centres. It provides a space for students to embrace their creativity and talents while spreading acts of kindness. Starting as an IB DP CAS Project, the club has grown immensely over the past year. Cards for Care Club has partnered with Berkley Care Centre, Creekstone Care Centre and Lions Gate Hospital. Meeting once a week, the club has been able to make over 400 cards for numerous holidays such as Valentine's Day, Easter, the First Day of Spring, and Christmas.

MARKETING CLUB

Entrepreneurial Spirit

The Marketing Club was created to help students and staff promote their events and projects, as well as aid the Carson community in staying informed. The assists other groups like clubs and teachers in promptly spreading news about their events through the use of posters, announcements, banners, and other types of advertising. One of the most important goals of marketing club is to boost school spirit and community involvement by keeping everyone in the know about anything Carson-related.

ART CLUB

Paint, Create, Inspire

Art club was created for all the artists that want a place to expand their artistic horizons and enhance their skills. Its goal is to nurture students who have excellent creative perspective. Whether you are an eighth grader who is just starting your creative journey, or you are a IBDP art student who has been perfecting your craft for years, Art club is the place you can practice new techniques, advance old ones, and connect with others who have similar artistic taste.

MATH CLUB

The Equations for Success

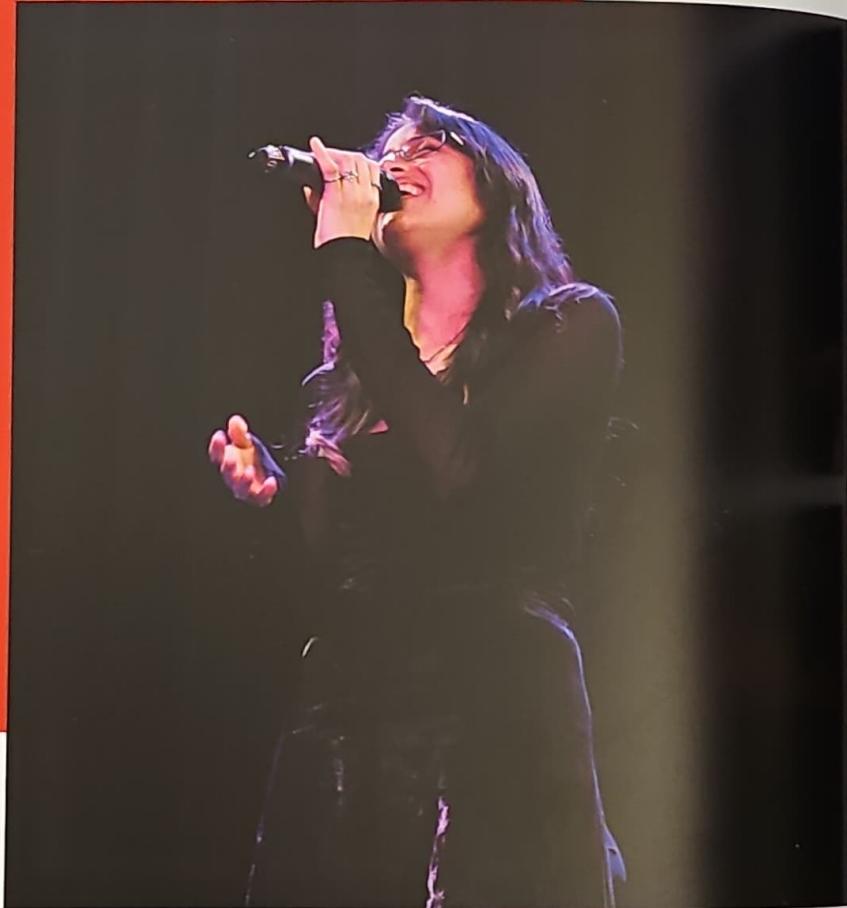

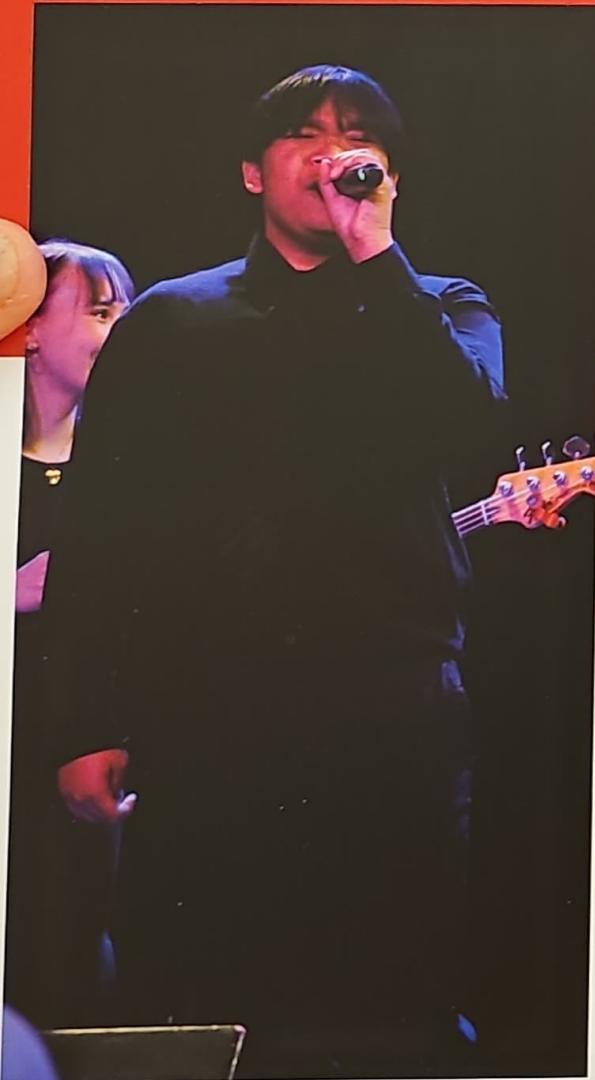

The purpose of Math Club is to get students excited about mathematics and learning. Ever the difficult task, the Math Club encourages students to expand their mathematical horizons by helping students with math homework, promoting and organizing the Waterloo math contests at Carson, as well as aiding students in preparing for the math contests by teaching difficult problems, reviewing important material, and giving students practice packages so participants can work towards winning awards and medals.

CHOIR & BAND

Pitch Perfect

The Carson Graham Music Department is widely celebrated for its exceptional dynamic performances. Under the teachings of Mr. Yang, Mr. Lo, and Mr. Lee, they had the honour of attending this year's Cantando Music Festival in Edmonton. They had not just one, but five choirs and two bands performing. Talk about a musical extravaganza! Their music enchanted the audience with its rich and beautiful sound. The festival showcased talent from both high school level choirs and bands, all the way up to university level. It was an experience to learn and to hear the diverse range of musical ideas and styles, and enjoy the music that ties us all together.

Interview: Kon N.

Q: What is your favourite part of Jazz Band?

A: My favourite part of jazz band is the different styles of music and the end of year concerts.

Q: What is your favourite memory of the music program?

A: The 2023 Winnipeg band trap because it was fun to travel and make music with friends.

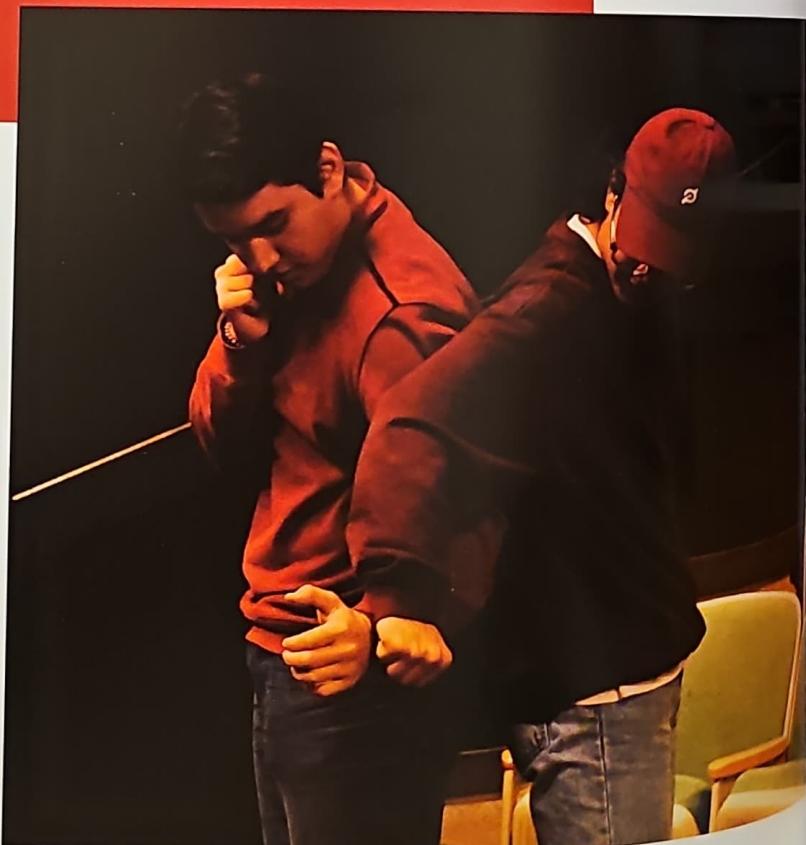

DRAMA

To be or not be

The Carson Drama department is open to all ages and skill levels. It serves as a vibrant hub of creativity and expression, fostering a passion for the performing arts amongst students.

Typically, this department is dedicated to teaching various aspects of theater, including acting, directing, stage management, scriptwriting, and technical production.

The drama curriculum encompasses both theoretical and practical aspects of drama. Students learn about elements of play production. Practical classes involve scene study, voice and diction, movement, and improvisation. The goal is to provide students with an understanding of the art form, equipping them with the skills needed to perform and create in various theatrical styles.

DANCE

Dance your heart out

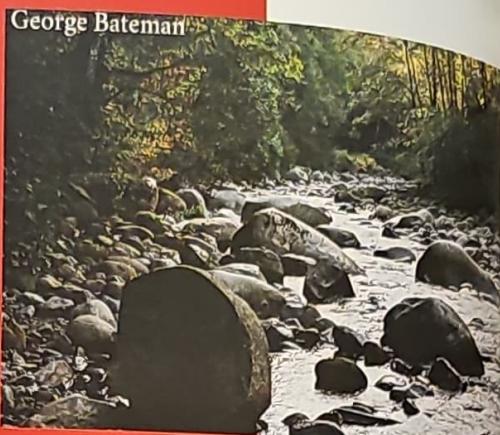

The Carson Graham dance program had another very successful year filled with learning, fun, and friendship. Through tough rehearsals and lots of hard work, the team worked together to create several unforgettable performances, including an impressive number at the Remembrance Day assembly and a challenging year end performance. Carson looks forward to seeing what these talented students have in store for us next year!

PHOTOGRAPHY

Lens Magic

In photography class, we've journeyed through lenses of creativity. Students mastered the elements and principles of photography to paint stories with light and shadow. From creating album covers, to exploring environmental change and the human spirit. Next, students explored fashion photography through the style of Texas Isaiah. Our journey didn't stop there. We embraced Indigenous ways of learning and being, though telling our own culture's stories. As we flip through the pages of our yearbook, let's celebrate the moments frozen in time, the friendships forged behind the camera, and the stories waiting to be told.

ART

creative Journey

This year, Carson art students explored and expanded their artistic abilities with a wide variety of mediums, materials, and the teacher's constructive advice. They also had the opportunity to learn from inspirational artists, their styles, techniques, and the evolution of art history. This class was beneficial for students to discover their artistic passions and new mediums to express themselves.

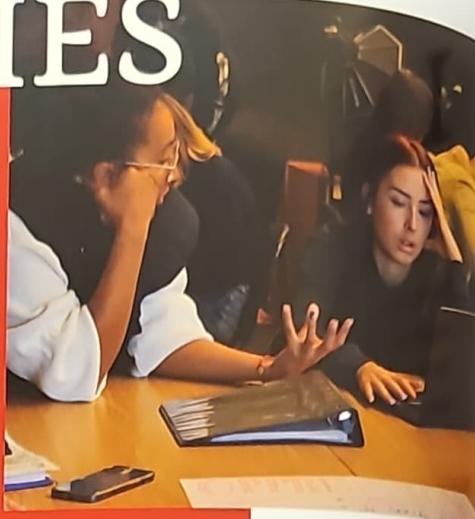

SOCIAL STUDIES

A moment in history

When it comes to social studies, Carson students have had an incredible journey of discovering and understanding, from exploring ancient civilizations to diving into the complexities of modern societies.

Our social studies classes have helped open our eyes to the world around us, and gain a deeper appreciation for different cultures, histories, and perspectives. Through thought-provoking discussions, engaging projects, and insightful lessons, our Carson students are more informed and ready to make a positive impact on our ever-changing world.

LANGUAGE

Hola, Bonjour, Núu!

From one language to another, the Carson students have gained a better value and appreciation for all the different languages around the world. Our French classes, Spanish classes, and SKWXWU7MESH all allow students to learn about diverse and unique cultures and broaden their horizons on perspectives and traditions.

PHYSICAL EDUCATION

Fitness in Action

A fun, engaging course led by our passionate teachers, Phys. Ed is a widely loved class. Students engage in a wide variety of sports, games, and fitness activities, learning new things and getting active. Students grew from teammates to friends and cultivated both long lasting relationships and athletic skills.

Friendly competition, sport tournaments and fitness Fridays made this year's gym classes enjoyable and fun.

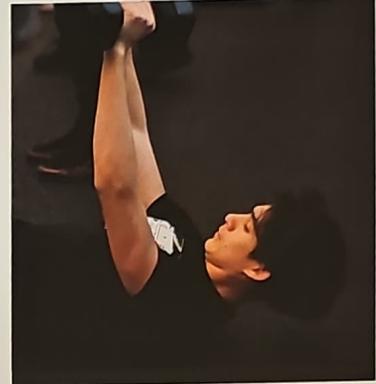

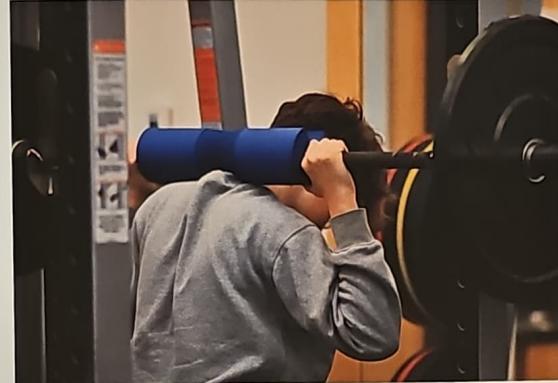

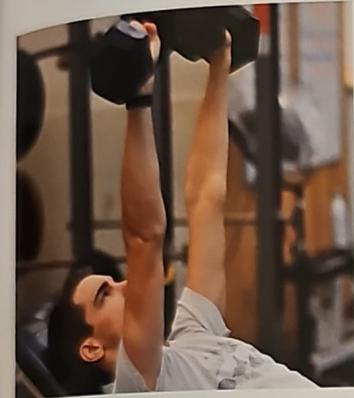

CONDITIONING

Get Fit

Students built up their strength and perseverance, and were led through self-discovery in Carson's Strength and Conditioning class.

This course teaches important skills and safety tips for the gym and encourages healthy habits that will last for a lifetime. From fitness testing to early morning workouts, the conditioning classes pushed themselves to new limits and developed stamina, strength and willpower.

ACTIVE LIVING

In Active Living, students explore ways to live a healthy life in a variety of ways. Students are taken outside of the gym to get exercise in non-typical ways and interactive environments. Skating and hiking are just a couple of ways students taking this course get active.

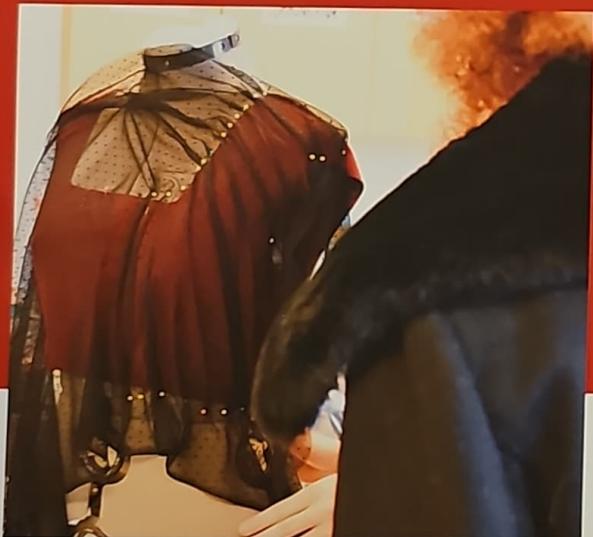

TEXTILES

Stitch by Stitch

With each stitch, the textiles classes brought their ideas closer to reality, learning to use a machine, apply patterns and master intricate designs.

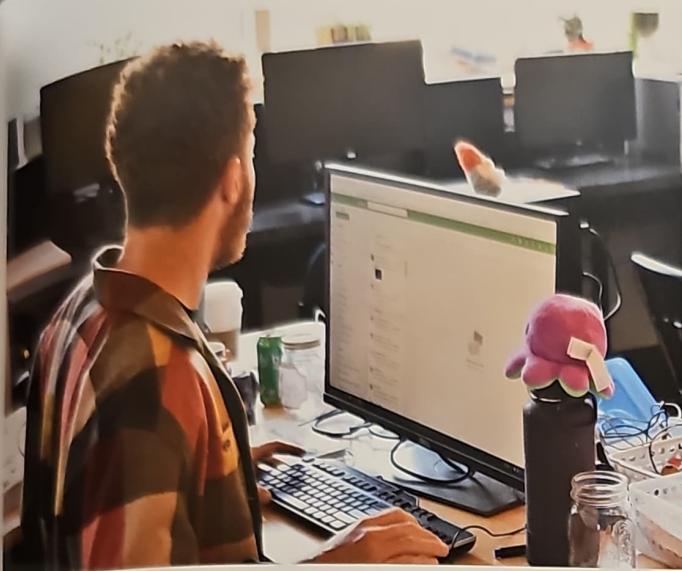

This year, the students created a variety of items, from drawstring bags to sweatshirts, supervised and guided by their sewing teacher. The textiles class allowed its participants to develop their creativity and explore their ideas, as well as provided them with skills that will remain useful for a life.

CHOICES

In Choices, students work to improve skills and grow their knowledge in a supportive, educational setting. Teachers guide Choices students through their studies and provide help with their homework, projects and other areas of their life.

At Carson Graham, teachers and students alike work to create an encouraging and helpful environment that prioritizes student success, and those values are embodied by the Choices classroom.

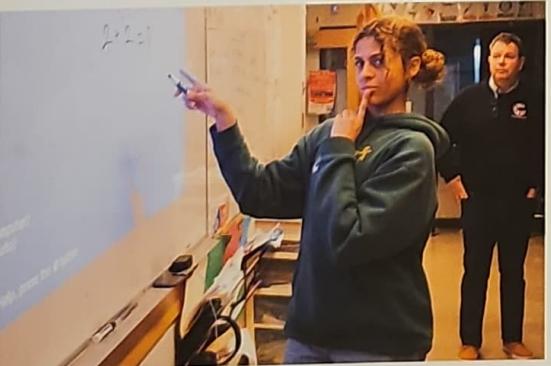

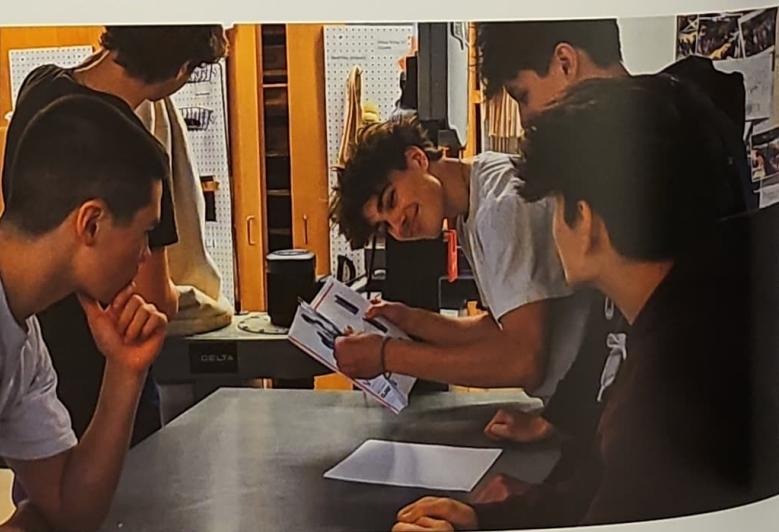

ENGINEERING

Building the Future, One Design at a Time

In engineering, the tools students used were not just calculators and software, but determination and creativity. As engineers-in-the-making, learning extended beyond solving problems — it encompassed creating solutions that will shape tomorrow.

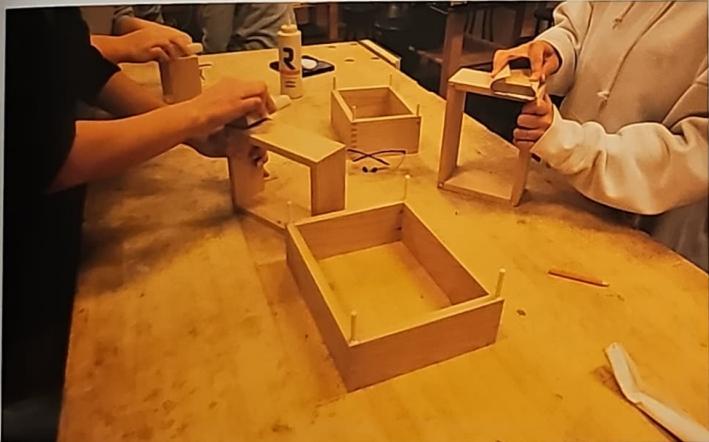

The process of designing, testing, and refining has instilled a resilience that will serve well beyond the academic environment. Gratitude extends to a year filled with incredible projects, where every attempt, success or setback, enriched understanding.

WOODWORK

Measure Twice, Cut Once!

Woodwork is where students' visions are brought into reality: tables, benches and boxes. No matter how big the project is, what counts is how much effort students put it. Woodwork requires not only physical strength, but also strategic thinking for designs, measurements and actualization of the plan. Although it can be frustrating at times, seeing the outcome is always worth it!

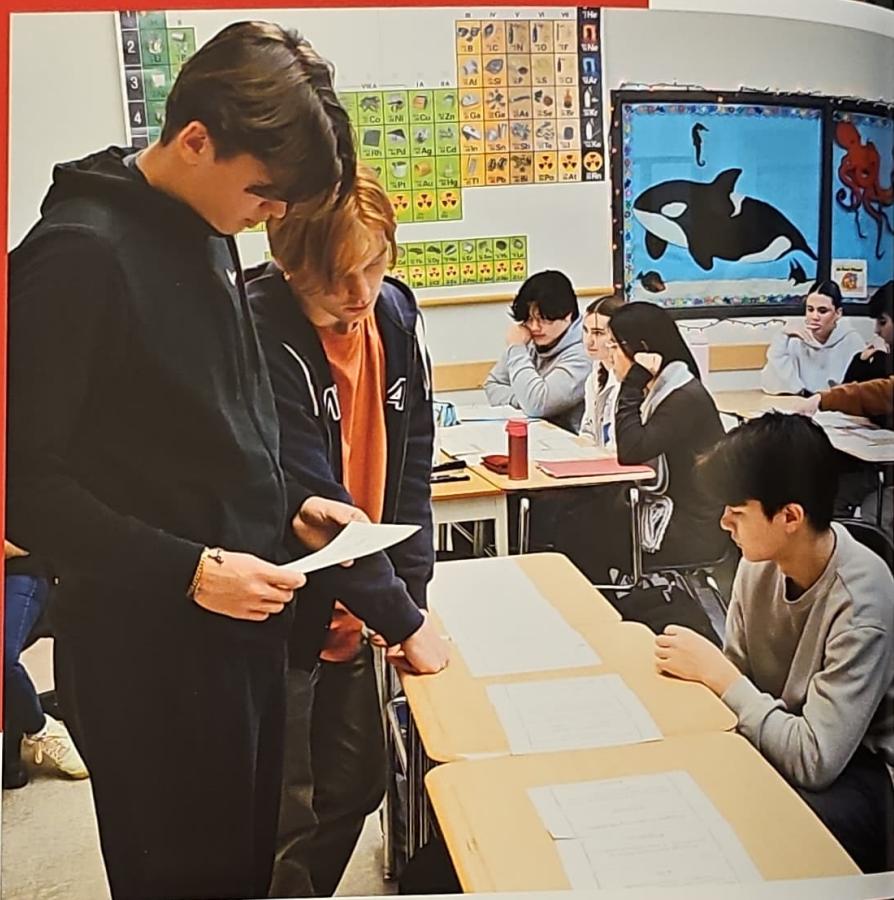

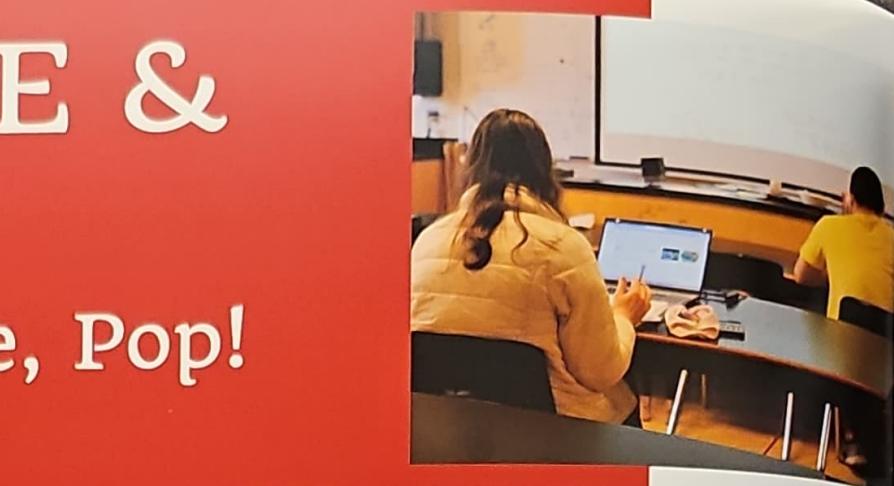

SCIENCE & MATH Snap, Crackle, Pop!

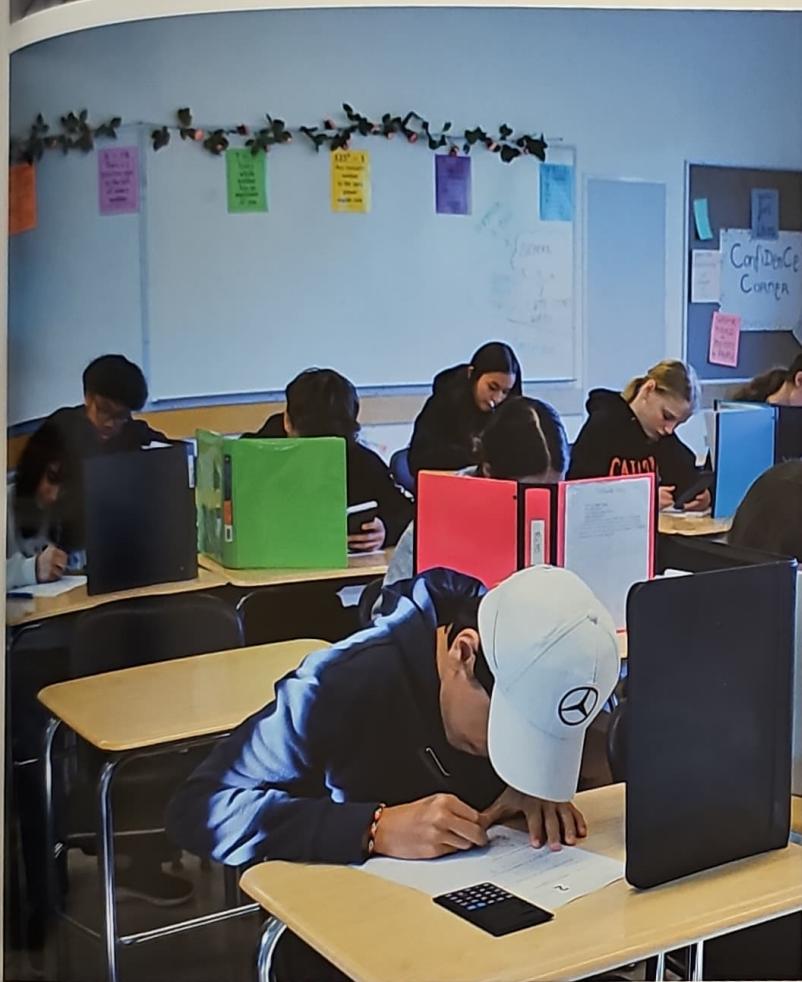

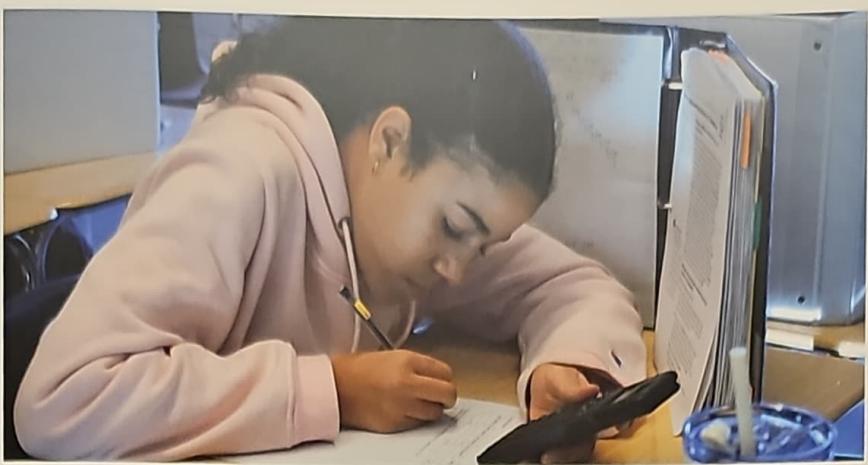

Carson Graham has a wide variety of different science programs including Chemistry, Physics, Earth Science, Geology, Life Science and Anatomy and Physiology. With this many different sciences available for students to take, you can find your true potential in science!

Carson also offers three IB science courses for those who want to extend their leaning and challenge themselves by learning more complex material. These classes have their final IB Exams in May.

With all the amazing educators helping out students during their science classes, science at Carson Graham is an amazing environment for learning! Science classes have lots of fun doing various experiments, with Biology classes dissecting animals to learn about anatomy, and Chemistry classes using chemicals to do colorful and interesting experiments.

No matter what kind of person you are, there is a science class for you at Carson.

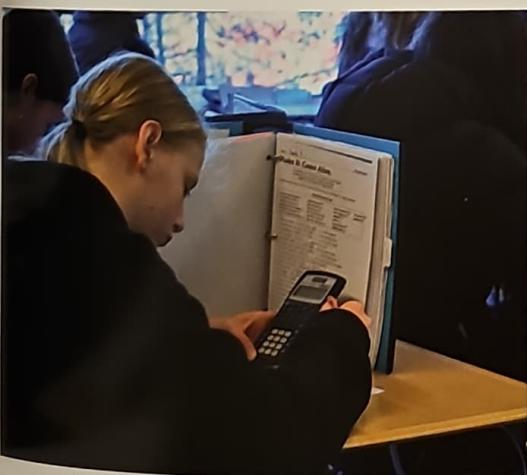

Get Out Your Calculators

As we turn the pages of another unforgettable year, the Math Department stands out for its remarkable journey through numbers, shapes, and theorems. This year, our math classes were more than just lessons; they were adventures into the abstract and the concrete, challenging our minds.

Under the guidance of our dedicated teachers, students navigated the complex landscapes of algebra, geometry, calculus, and statistics. Each topic, with its own set of challenges, was an opportunity for growth, critical thinking, and problem-solving. Our teachers, with their endless patience and innovative teaching methods, made even the most daunting equations accessible and engaging. Our math classes also emphasized the importance of collaboration and mutual support. Group projects and study sessions became the norm, fostering a community where everyone could find help and encouragement. It was great to see students coming together through learning!

STUDENT LIFE

This year, students had fun at many different trips such as the Dominican Republic, Belize, New Zealand and various band trips throughout the year. Grads participated in a number of events in celebration of their last year at Carson Graham. To keep school spirit strong students engaged in schools sports they're passionate about, and any clubs that caught their interests.

Being a student here is a mix of traditional learning blended with a new digital life. Life as a student means learning new things every day. Being a student is not just about memorizing facts, but also about understanding and thinking. As students, we're preparing for the future, so we need to work hard and stay curious. We've gotta be ready to adapt and bounce back from tough situations because the world keeps changing. Being a student nowadays isn't just about passing tests – it's about getting ready for whatever comes next.

PUBLIC DISPLAY OF AFFECTION

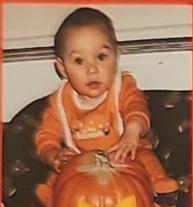

Since you entered our lives, nothing else has mattered. Watching you grow into a remarkable young girl has brought us joy in our life. You're the unfading sun and the waning moon, my precious daughter, never let anyone underestimate you, never stop believing in yourself. Always hold your head high, aim for the skies. Life isn't easy, and you'll face many challenges to reach your dreams, but remember we'll always be there for you, encouraging you to pursue your dreams.

Stella Abhari

It was like yesterday, that I wished for you to talk and walk with me though it's so fast gone and I can't believe that we are standing by beautiful young woman which we are so proud of just remember we always love you.

Parmis Adibi

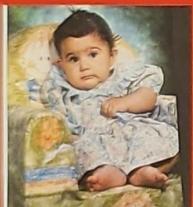

Misty,
You are the greatest gift God could have given us. You are kind, compassionate, always ready to help, and always looking for the good in people. We are so proud of you and all you have accomplished. Now it's time to follow your passion down life's path. Always believe in yourself and your abilities. You've got this. We love you with all our heart.
Mom, Dad and Eeyore

Misty Adrian

My lovely daughter, Ava,
How lucky I am to have you and I am always proud of you. I am happy from the bottom of my heart that I have a beautiful daughter like you. I know for sure, in the near future, you will surprise us with your beautiful ideas and your successes

Ava Aghaei

My beautiful AVA, we feel incredibly fortunate to have you in our lives. Since the moment you came into this world, you have brought us joy and vitality. We are grateful for you each and every day. Our wish for you is to always find happiness and peace in your life.

Ava Ahmadian

To say we are proud of you would be an understatement. Your strength, commitment, genuine compassion and empathy is admirable. You have a heart of gold. You will do amazing things in life. Believe in yourself as much as we believe in you. We love you forever and ever and always. Mom and Dad

Sofia Aiello

Dear Arina
From the moment you came into our lives, we knew you were destined for greatness, and we couldn't be more excited for all the amazing adventures that lie ahead for you. We love you and we couldn't be prouder to call you our daughter. When you go through hard times, just remember to be strong and keep going.
Congratulations on your graduation!

Arina Ali

My good son Mohsen, Time passes and you became a man in the blink of an eye and I am happy that you are successfully finishing high school and I am proud of you and know that no matter how big and strong you are, you will never grow bigger than the love I have for you. My strong boy, I hope that wherever you go and whatever you do, love surrounds you, you are my hope in the world my dear boy and I will always fully support you, so never stop learning. Never give up on your dreams, and always stay bold and courageous and reach the highest ranks because you deserve the best.

Mohsen Allahvardi

This guy. Just living his life. And we couldn't love him more for it.

Griffin Allan

Son, we have seen you grow, and it is difficult for us to believe that in such a short time you have begun to spread your strong wings, full of life, hope and willing to face the innumerable challenges that life has. We are very proud of you, and the exceptional maturity you have, we hope you can achieve your dreams, continue being happy and smiling doing what you love.
With love - Dad, Mom and Cristina.

Daniel Arias Jimenez

Mamang, Mom, Kuya RB and Ate Clarisse, your Tita Mommies and Tito Daddies, and your cousins all the way from the Philippines all wishes you a Happy Graduation Chandette! We are so proud of you! Sarai Rai,
My baby, I'm so proud of you! You worked so hard, and you did it! Your Papa must be proud! We're all so proud of you! As Chee Chee says "at one point none of us knew how to walk" ... now you're about to walk that stage and get your Diploma. I hope life becomes all that you want it to, that you love your life and are happy. Stay loud and proud! You are so beautiful, inside, and out. Happy Graduation and congratulations! I love you, always! Mom

Sarai Baker

Little Bee,
When I think back to your first days at Sunflower Preschool, I can see that you've always been a version of the amazing kid who is now about to graduate: creative, artistic, musical, insightful, confident and socially aware. I'm so proud of all that you've accomplished, and I can't wait to see where your next steps take you. Just don't forget to set your alarm and make yourself lunch!

Love you a million times,
Mum

Sloane Barsky

Congratulations, George. I'm so proud of what you've achieved and where you're going. You have a talent that will take you far. Always nurture your creative side and be true to yourself. Love, Mum x

George Bateman

In Grade 3, you and Grif got busted trying to book a test drive for a Lotus. It was almost successful but the two of you couldn't remember the name of the country you lived in! We have watched you pursue and succeed in so much already. Keep your ingenuity sharp, your goals attainable, and your kindness front and center. Love, Mom, Dad, and D and D.

William Beaton

Ayaysha-Brielle, Time has flown by far too fast, what a blessing to watch you take this journey called life. Through all the years, we have watched with so much pride and unconditional love. Graduating is a huge success, be proud! Now, time to spread your wings and continuing soaring! We will forever be rooting for you, with endless love and support. Stay sweet, our girl, keep smiling! Love Mom, Lance, Sister, Aunty, Cousin, Cheechee and Papa above.

To you Wilson my beloved son, you know I've always believed in you and today you are once again one step closer to achieving your dreams. I just want to tell you that the process of learning never ends, keep going forward and keep proving Mom that you can achieve what your heart desires. I will be here to guide you and support you no matter what! I love you son. Congratulations and Happy Graduation!

Wilson Estoya

It has been such an honour to witness you evolve into the bright, curious, brave, thoughtful, and ambitious person you are. We hope you keep dreaming, keep questioning, keep trying new things, keep learning, keep doing what you love, keep contributing, keep it fun, keep it light, keep soaring and keep yourself grounded. May you always be inspired and inspire those around you. We love you and believe that you can do anything you want to do in this life!

Abby Fishman

From the moment you were born, deep in our hearts we were thankful for your new presence in our lives. We love to have you in our lives, you are someone full of qualities and virtues. Now that you are about to start another journey, we wish you success in everything you undertake, and wish you happiness... And just to remind you that we will ALWAYS, as your parents, love you unconditionally. Blessings for this new path.

Congratulations from all of us! We are very proud of your wisdom and all of your accomplishments. Whatever you choose to do in the future, we will be with you 100%. We love you to the moon and back.

Raine Narita

Congratulations on graduating high school, Elisha! You have made it so far and persevered through so much. We know you will continue to excel in all aspects of your life and that so many more great opportunities are waiting for you. It's been so wonderful watching you grow into the person you are today, and we hope you continue learning and growing to become the best version of yourself. We are sure you will accomplish anything and everything you set your mind to, and we are so excited to see what achievements await you in university and beyond. You worked so hard to get to this point, and there's no doubt in our minds that you will keep working tirelessly to reach your goals in life. We know you will accomplish all your goals and go above and beyond. We are so marvelously proud of you, and we know you will continue making us proud every day. Lots of Love, Mom and Dad.

Elisa Nasimi Khameneh

Our one and only Erfaan
We did not have any clue that time was running so fast, and our baby son is growing up so fast; today we have come to know that our boy, who once used to crawl on the floor, is now graduating. We could not be more proud. Enjoy your special day because you've earned it! Wishing you nothing but the best as you embark on this new journey.

Erfaan Nasiroghli

Watching you pursue your dreams through hard work and perseverance has made us so proud Finner. We are so excited for your next chapter at McMaster. Love, mom & dad

Finley Nemeth

What an awesome person you have grown to be Liam. More adventures and responsibilities coming your way. We are so very proud of the person you are and confident you will lean into every challenge with optimism, excitement and perseverance. Cool kid! We love you always!

Liam Nielson

No one said it would be easy, but always remember I'm there to hold your hand, pull you up, and put a smile on your face. Just like how you did when we were babies. With your high fever and tiny hands, you spun the ferris wheel, keeping me busy, letting me pretend I was the one taking care of you. Thanks for teaching me how to be an older sibling, I'll always be there to spin the ferris wheel for you.'

Really well done! Such a great job. We remember discussing two years ago whether the IB Diploma would be an unnecessary weight or a fantastic opportunity for you - and you've aced it and you've thrived, not just in school, but also on Grouse and in TWD. So proud. All the Best!

Konstantin Nitsch

Taylor Pare

Congrats on graduating Taylor! You have grown up into a kind, thoughtful, funny, smart, unique, lovable, and caring young man. You have a good heart so I know you will find success in whatever you choose to do going forward! We are grateful to all who have been a part of your life like Grammy, Grampy, John, Dylan, Dad, Theresa, Nanny, Papa, and the many other close family friends.
I will always love you to infinity and back, Monkey!

Zoe Platt

Congratulations to our little ZoZo! You blow us away daily with your amazing style, artistic and musical talent, and beautiful soul. When you were a baby I would gaze into your eyes for hours, just thinking about what this intelligent little girl would achieve. I still try and gaze into your eyes, through the fantastic make-up artistry they are adorned with, and of course the busy schedule and homework, and through those cherished glimpses I see and now witness the incredible young woman you have become. Whatever you do we are here to support and encourage you, and of course love you to the moon and back! We are so proud of you! Mom, Daddy, Veronica, Grandma, Bobby, and Sylvester.

Quenton Pollard

Hi Quenton, we are so impressed with your various accomplishments and strange abilities from your growth. Your energy and whimsical nature spread with every person you meet; that skill is amazing, and you should be proud of what you've made from your prior and present experiences. We love you so much Quenton, congratulations.

Raimond Rasoulzadehyazdi

To our dear Raimond,
We love you for all that you are and always have been.
You are our pride and joy. Thank you for being such an
important piece of our life. You have given us so many
reasons to be proud of the man you have become, but
the proudest moment for us is telling others that you
are our son. The future is bright, and we can't wait to
see all the amazing things you'll achieve. Here's to a

Throughout the years I've been here, I never thought this day would come. As a grade 12 student, my favorite memory would have to be the DP retreat, and the fact that I got to make the best of memories with my DP cohort. I want to give a big thank you to all my teachers, and my best friends who have made my time at Carson amazing. I love you all! And as I always say, never settle!

PRINCIPAL'S MESSAGE

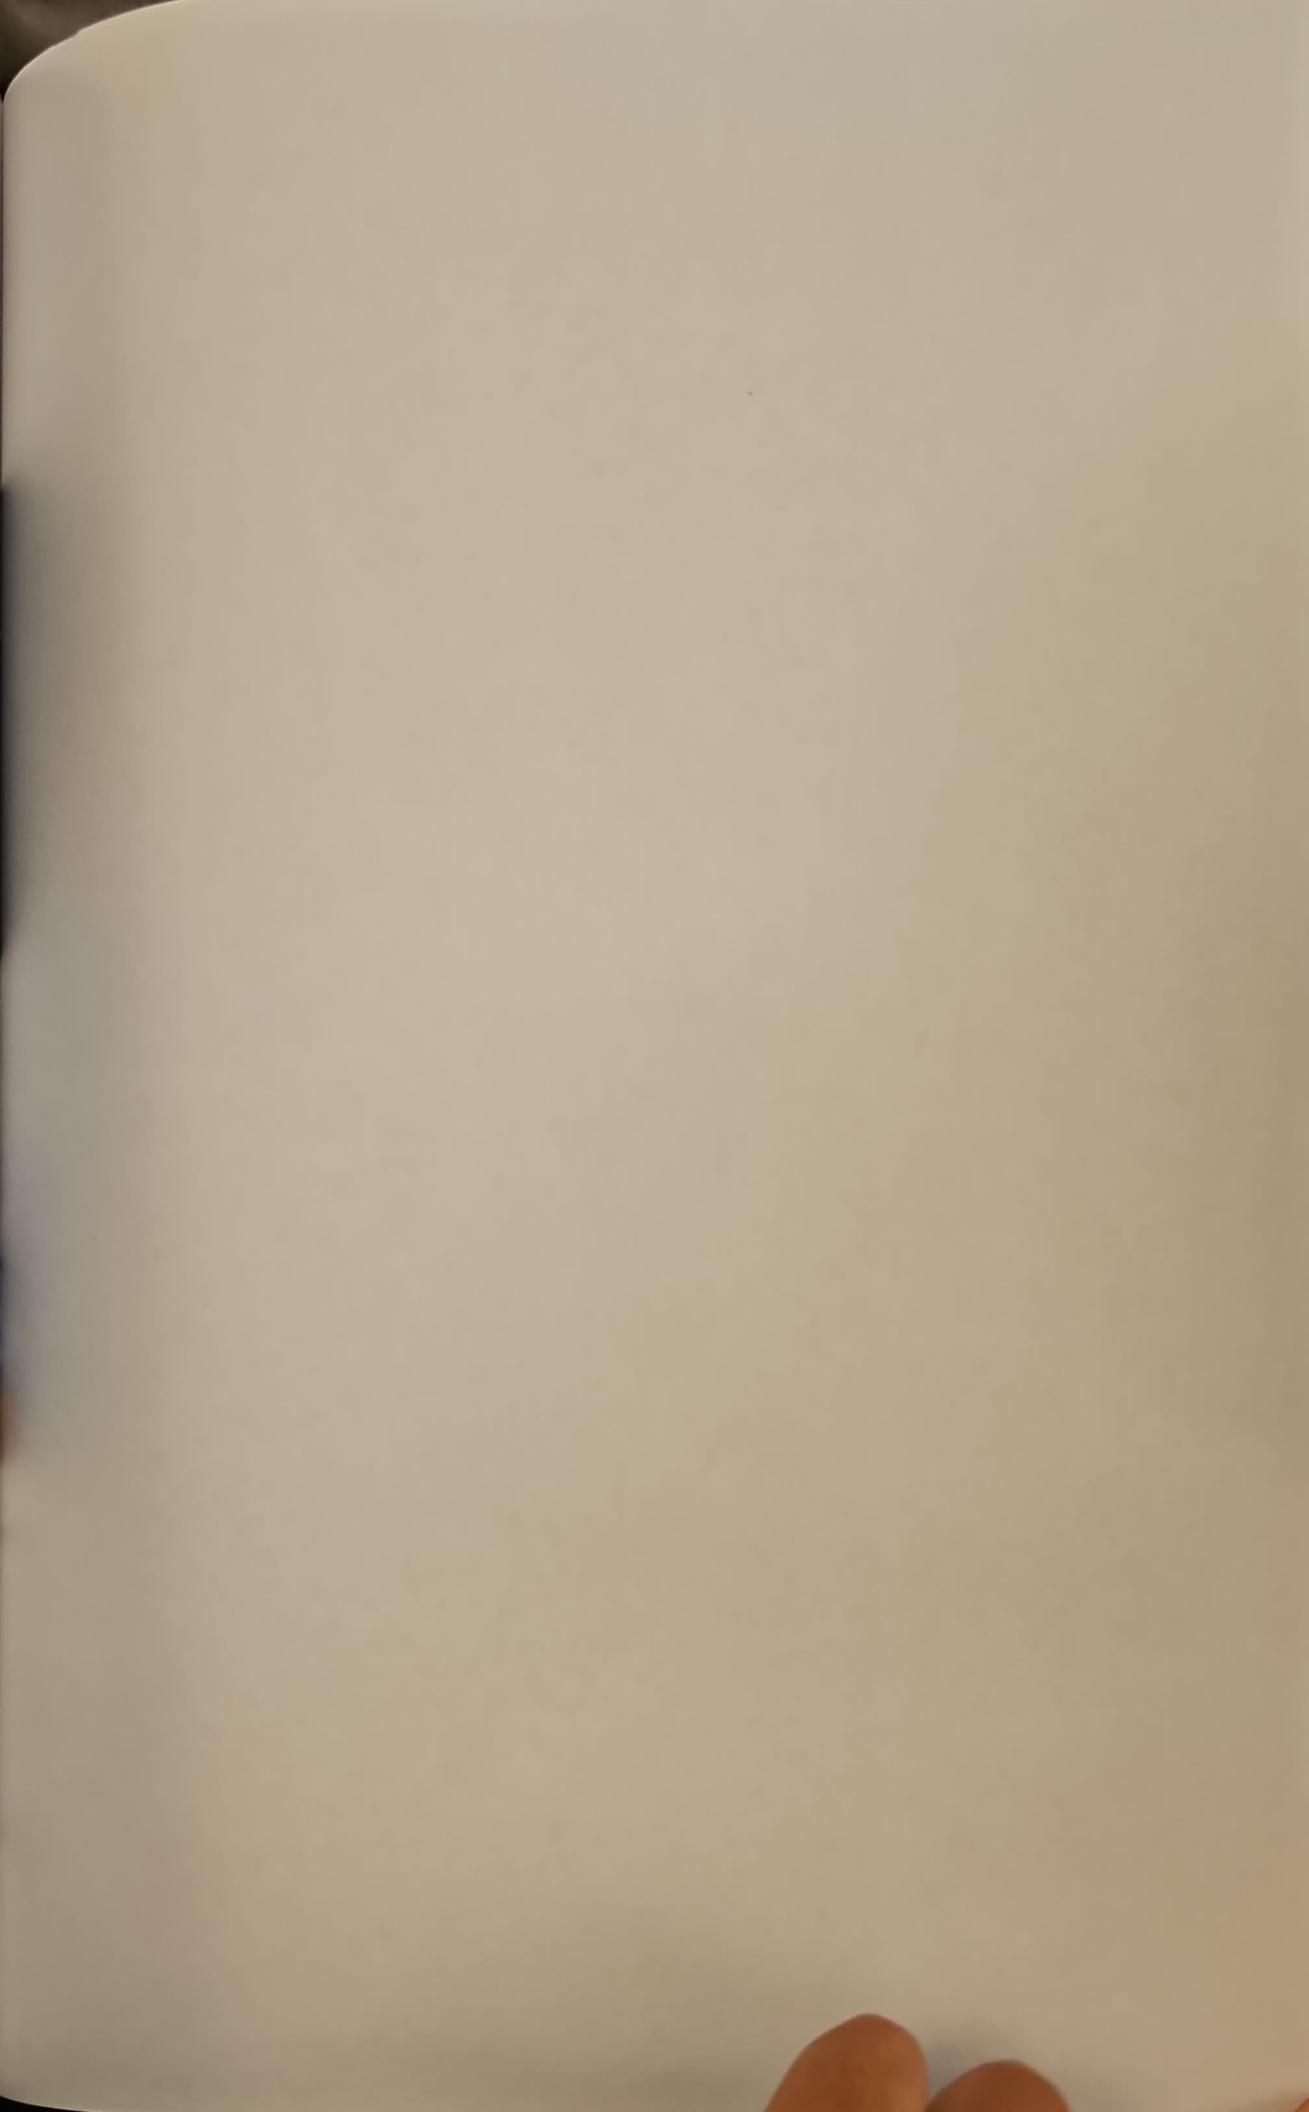

Looking back on this year, I'm filled with so much pride and gratitude for everything we've accomplished together. I want to express my sincere gratitude to our amazing yearbook team, led by the incredible Ms. Bowcott. The yearbook team knocked it out of the park, capturing all the highlights of our 2023/24 journey!

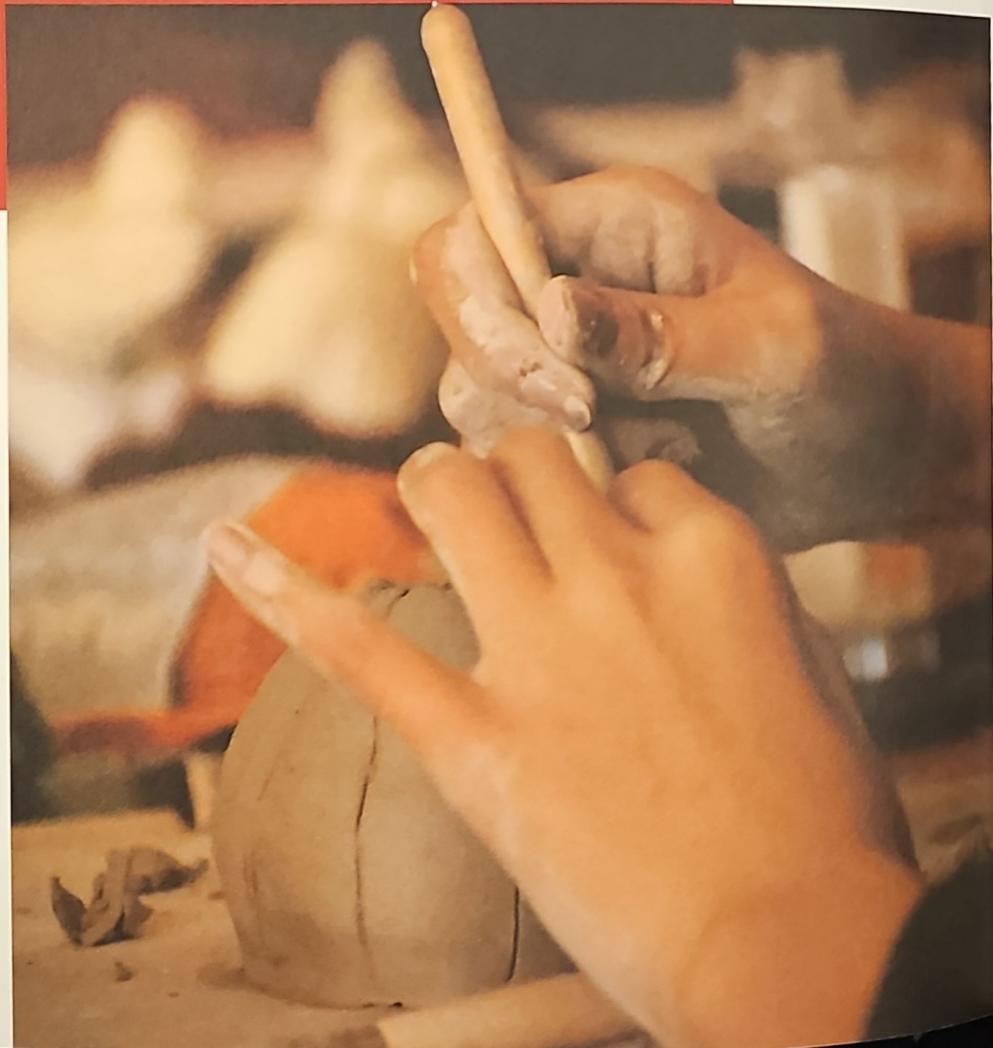

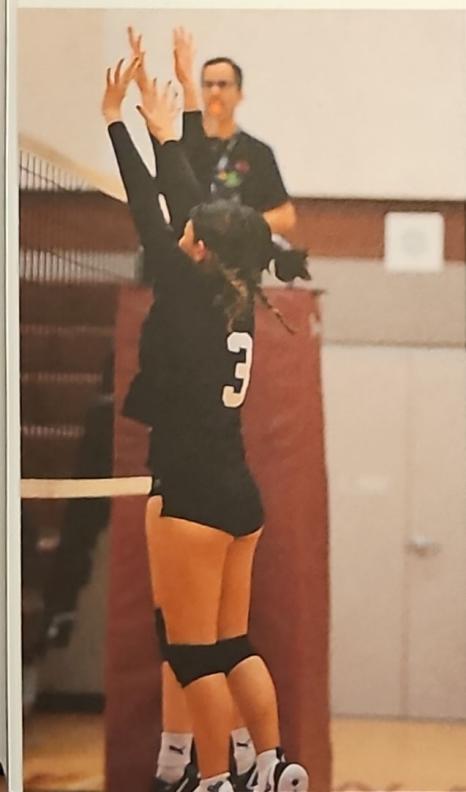

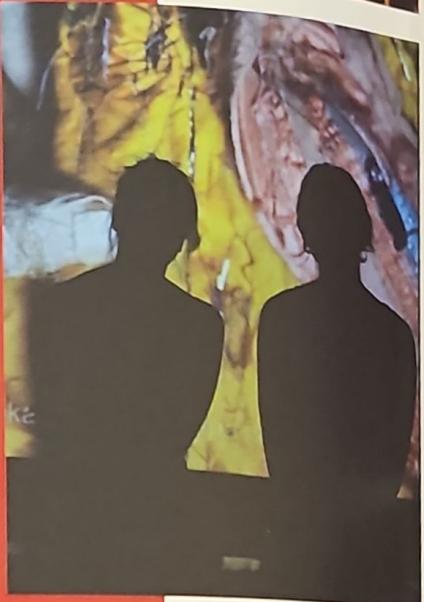

Eagles - your commitment to the IB program has been nothing short of inspiring. From tackling tough classes to diving into group projects and getting involved in extracurriculars, you've shown true dedication and enthusiasm. You've embodied those IB traits like caring for others, standing up for what's right, and taking time to reflect.

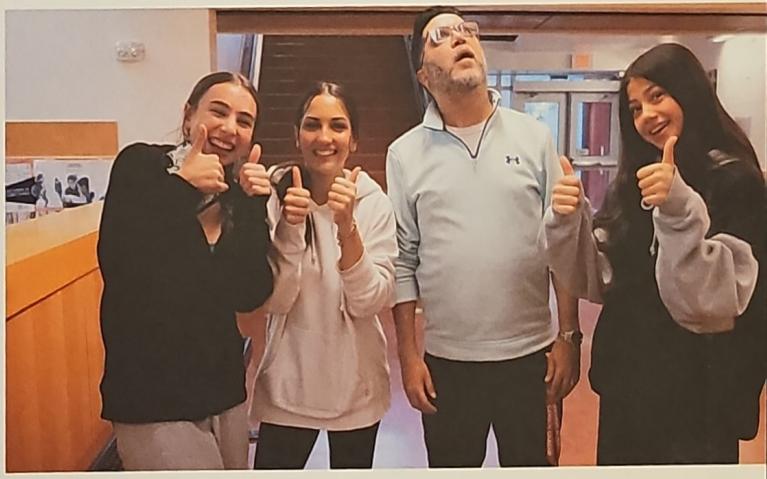

As we celebrate our graduating seniors and look ahead to the adventures awaiting each of you, let's remember the lessons we've learned and the friendships we've made. Keep that spirit of curiosity alive and stay connected with each other, no matter where life takes you.

A massive thank you to every single one of you, staff and students, for making Carson Graham the incredible community it is. From myself, Mr. Cadman, and Mr. Irani, have an amazing summer, and to our alumni, go out there and make us proud! Go Eagles!

SEE YOU NEXT YEAR!
